To the readers

I really don't want-
To give anyone pain
To anyone sorrow/distress
Trouble/agonny/suffering,
But I have to say-
Something right/truth
Against false/dishonest
For the better world
Because of I love-
Myself very much
My daughter much much
All human being and
The world too much

Politics

KHALEDA AND HASINA OCCUPIED MY LAND

Dear Readers

I am Saeid Khan Sachchu a Bengali from Bangladesh. But I never Feel pride and proud for my country. I always feel shame. I tried several times to find out something good from Bangladesh but nothing is good there. I hate my country I hate dirty politics. I too much hate Khaleda & Hasina. Khaleda think: Bangladesh is her husband's Property & Hasina thinking: Bangladesh is her father's property. I lost my country. Hasina & Khaleda occupied my land. I never forgive them. There is no political leader in Bangladesh, politics are their professions.

I'm staying out of Bangladesh about six years. I'm happy here! I can sleep at night very well. I can move place to place safely and on time. Trying to stay out of Bangladesh forever! Because of Bangladesh is not suitable for human being, good for animal or manmal. I hate Bangladesh. I hate Khaleda/Hasina and all professionals' politicians (!) Who are raping my country my heart my soul and my dream.

I have to write many things but my English is very poor. I know how to write but I don't know how to write in English well. Because of Bangladesh education system taught me nothing. When I'll find how to writes Bangla in internet. I must write once again. I wish to go back my country; I want to love my country. Is it possible?

BANGLADESH IS A LAND OF DIRTY POLITICS

Bangladesh is a land of dirty politics. Everyone is politician there! Universities teacher, Journalist, lawyer! Someone Awami Leaguer, someone Bnp'ist! Nobody is fair nothing is fair. Even judgment of court!

Day after day Bangladesh going to destroy. Evil politicians throwing Bangladesh to hell. Nobody can save Bangladesh. Even their God! Because great Bangladeshi like and love hell more than heaven!

LAND OF TERRORIST IS BANGLADESH

Bangladesh is the best heaven for terrorist. They can do anything there. Nobody can stop them. Because of now the political terrorism and the Islamic terrorism are most popular and powerful there. Both are shaking hands to be strongest friend, giant.

I think, Bangla bhai, Shayok Abdur Rahman and world most wanted terrorist Osama Bin Laden are living in PM resident with Khaleda and Tarek Rahman. For this police, army can't find them. Cause nobody can go there for inquiry.

I want tell to Bush, where you looking for Bin laden? Pakistan? Afghanistan? You never find him there. Go to Bangladesh knock the door of PM house. May be you will be surprise!

BAD BYE COLONEL AKBOR

Colonel Akbor was a minister of Bnp government. Boats minister (!) When he was the boat minister: So many ferries sank, so many lives drown. But he was in his position until end of his life! No stirring! What was a strong minister! Now his lifeboat (!) or ferry (?) drowns. We are happy. Really happy! Why not? Bad bye colony Akbor!

FEW TIPS TO FOREIGNERS

Here are few tips to foreigners who wish to visit Bangladesh.

Before using a toilet you must take tissue/ toilet paper or one 2.0L bottle of Coca-Cola with you into the toilet. Because of there is no guarantee of water into the toilet in BD. Like that there is no guarantee for 24 hours electricity, gas, telephone service etc. So, you must have to keep extra water in your house. Keep extra foods in your oven or dry foods in packet. And save your computer work in every moment! Or use UPS. There is no guarantee that you can reach to your destination on time. So you should take your lunch box with you. To takes Lunch on the way at the traffic jam.

Finally there in Bangladesh your life is not secure it's guaranteed!

JAMAT RUBBISH OF POLITICS

Everything's have waste or rubbish. Not only Jamat, all religious parties are rubbish of politics. We are trying of our best to remove them. But it's difficult because waste never die. We are trying of our best. Waste must have to die or re-cycle to good. We believe it's not impossible.

Every government should band all religious party. But in Bangladesh government occupied by them! Religion is cat. Mimic politicians unable to put the bell on its throat. Even Awami League! So we have to change the systems. We have to remove them from the deepest place with the bottom of fetus. Or last drop of religious poison.

TASLIMA NASRIN IS THE HONEST ONE

Taslina Nasrin is the honest one in Bangladesh. Nobody honest likes Taslima Nasrin. Khaleda and Hasina are the great dishonest there. Nobody can reach at their position. For this, they both are Bangladeshi's idol. Every body is trying to become a Khaleda or Hasina. Not only Khaleda & Hasina, Everyone is rubbish there. So I have to say fuck Bangladesh.

BANGLADESH: DISHONEST LAND

I don't have lot of money. Because of I am not a rich man. But I have a rich heart. Have lot of experience about life and several cultures. In my life I visited many countries of the world. But I never had seen a nation like Bangladesh! Even in the Africa. Bangladeshi is a multi genius. All in one! Garlic, medicine for all kind of disease!

Master of thief fraud cheater mimic liar malicious rapist talkative bearded goat traitor etc. All nation of the world hate Bangladesh. Because of Bangladesh are really perfect for that, I mean hate and spiting.

BD A NATION WITHOUT BACKBONE

Bangladesh is not only bottomless basket. Bangladesh is without backbone too. Bangladesh never can standup. It was born always for lay down and sleeps forever. Some times Bangladesh move left to right and say I am the top of all! The world moving around me! Oh! I am the best nation in the world!

A nation is known by its culture. But Bangladesh doesn't have own culture. Bengali+English+Arabic =hotchpotch culture. Yes Bangladeshi holding hotchpotch culture. So result is every where you can see side effect of hotchpotch culture. When I see somebody wearing Lungi+T-shirt+Cap! Fantastic looking! Animal! It's Bangladeshi culture.

PROSTITUTES ARE BETTER THAN BD POLITICIANS ARE

Bangladeshi politicians like a whore/prostitute. Any time any body can buy them. They sell themselves for a few drop of power. They are part time prostitutes. All of them have another business. Even they don't have any choice! Some times I think full time prostitutes are more honest and better than part time whores. They chose this job for their life, food and accommodation. They are alive by this job. But political whore! They have food, resident, car everything's. But they like this jib! May be prostitution is their families tragedy. Theirs habit. They can't leave it. They never can leave it. Because of they are sick, addicted by this job. Maudud Ahmed, Salahuddin Kader Chowdhury just two of them.

NOT INTEL FUCKER INSIDE

Once upon a time general Ershad was on power, Khaleda Zia kidnapped by Ershad near savar. When Khaleda Zia was on power for the first time, Khaleda put him into the central jail. Now they are together! Mr. and Mrs. General! Politics of Bangladesh for the power only. Characterless four parties now extended to five. Bismillah+Islam=Jamat. Fuckers Inside.

AL AND INDIA IS BETTER THAN BNP JAMAT OR PAKI

Now Bangladesh is divided into two parts. Awami League and Bnp. Al mean 14 parties. LDP, Bikalpa Dhara, Gono forum Etc. Bnp means Jamat and others Islamic parties. It's true Jamat and Bnp follower of Pakistan. Who raped 1, 30,000 Bengali girls or women at 1971 and killed a lot of Bengali. Really I surprise! When I see many Bengali supporting Jamat, Bnp or paki! How possible is it! If Jamatist, Bnp'ist, or paki rape or kill their sister/ mother or brother/father, that time also they'll support these three stupid too? May be! Because that's not a matter for them! Jamat, Bnp, paki or their supporter thinking, sex is universal. There is no different between raping-fucking and making love. So you make raping as you wish on the name of God. Or if you wish to rape, crime or kill, join with Jamat or Bnp. They'll help you and will give you support of their best!

On the other hand, I never say Awami League is the best one. But its true Al is better than other parties in BD. who supports Al, they also support India. India is better than Pakistan. Everyone knows India helped Bangladesh in 1971. Even now they are helping Bangladesh. There is no doubt, India friend of Bangladesh and Pakistan enemy. Here is two line of Great writer Sawkot Osman:
jey jar apon ruchir bosh, Bayoser kache bistha payos!
(Every one under control of his/her habits. Like crow loves dirty/filthy foods). Ha ha ha

BANGLADESH WHAT A GREAT NATION!

A pati (small) razakar is the chairman of my own union council area now! This is for second term! Nobody can challenge him. Everybody knows about Nizami and Ali A. Muzahid. They are ministers now! Khaleda Begum/Khatun or Akter, Who is S.S.C pass. Owner of three date of birth Jonmer thik nai (don't have particular date of birth!) is the Prime Minister of Bangladesh! Pintu, Nantu or Boltu all are member of the parliament house!

On the other hand, Track driver Khalek Mollah defeated Dr.Kamal Hossain! Terrorist Avi won against Rashed Khan Menon! Election, Election Commissioner in BD. Even sheep or bearded goat public all are great there! They like Pintu, Nanto Boltu, driver, Khaleda Khatun, cap beard etc. Now Bangladesh is the garbage of the world. What you want to see in the garbage? Everything is available there. This is the time of razakar and rubbish. We have to wait. Time will come. Really come? In Bangladesh!

HELLO DEMOCRACY!

Q. Hello democracy! How are you in Bangladesh?

A. Not fine! Because of Hasina and Khaleda forcing me to illegal operation. I am not able to do that. Here all are illegal user of democracy. Here I am democracies and sometimes democrying! Now choice up to BD's bearded goat public. If they want me they should kick out Hasina, Khaleda, Ershad and Jamat. Or they should leave me.

Please help me/save me from these two stupid women. Democracy is for the civilize people not for the stupid.

HONORABLE TERRORIST!

If one of your family members is traitor you are lucky! Don't try to stop him. Mind it or note it, he is the one of feature MP or minister of Bangladesh. And everybody respects you. Because of you are the relatives or parents of a terrorist and future MP! One day he becomes MP or minister. It's guaranteed in the golden Bangladesh.

Educations background less but powerful MP or minister careless too. So result is they never maintain their time. When they participates any meeting they always delay 2/3 hours. Thousands of public wait for the nonsense MP or stupid minister hour after hour! Who are doctors, engineers, writers, journalist Etc. Who have lot of experience in education. Who spent lot of time and money for reach at this position. They have to wait for a nonsense/stupid one! Who don't know value of time! Who don't know how to respect others! Who don't know what humanism is.

POLITICS, POLITICIAN AND BANGLA IN BANGLADESH

Total Bangladesh is like a village. And village means: field/land, pond/drain, uncivilized uncultured, wild etc. Bangladeshi politics is village politics. Bangladeshi politicians means village leader. Who are non educated but clever and cunning like crow or fox. They killing public dream and build their own sky-high dream. BD politicians are thief and terrorist. They stole public's ration wheat, relief rice, dream, money, property etc. Thieves are always shameless. So, they can keep their own name on the public property. Zia International Airport, Khaleda Zia Medical Complex are two examples. Those are made by public's money. Not only Khaleda Zia all minister and government staff is public servant. But in BD everyone forgets that! Now servants are Boss! Owner! And God there!

Bangladeshi language is village language. Their behave like village women who are uncivilized and illiterate. They like quarrel each other like snake and ichneumon. Even Khaleda and Hasina! Bangladeshi likes eating too much. They eat everything's! Even tea milk water soft or hard liquor bribe and interest etc. All! All are eating! Here are few examples: Do you eat tea? Do you not eat milk? Water eat! wine eat! Liquid and eating! Only Bangladeshi can do that. Ami jaiya parum na. Tumi jao ga. Very nice language! Wait in Bangla standup! In west Bengal They speak in Bangla too. But their Bangla is higher than BD's Drain Bangla.

MOUDUD POLITICAL ACTOR IN BANGLADESH

Do you know who Moudud Ahmed is? I don't know enough well about that guy! I know little bit about him. But I think it's enough to know him. Really enough.

Ershad was on power. Moudud was vice-president of Ershad government. Ershad's mother dead in Rangpur. Ershad and his cabinet went to visit Ershad's mother at Rangpur. Ershad was crying. Some ministers were trying to crying of their best! But this Moudud was crying more than Ershad! Who's mother dead! Ershad came to Moudud and told him, "My mother dead, Why you crying more than me?" I saw this in BTV news. One-day Ershad fall down, Moudud came out and join with Khaleda! Now he is the law minister of Bnp! I think he was involved with another party before that. And in future he must join with another party if Bnp fall down.

Actually I am not interested about Bangladeshi politicians. I always try to avoid that rubbish. Before few years, Home minister Borbor was a luggage carrier from Hong Kong to Dhaka! Now he is a minister! You never find any minister in BD who had aristocrat background. In Khaleda Zia's government how many minister now! May be 60! In future Bangladeshi public will be easily countable but not minister.

TRUTH ALWAYS HARDER THAN METAL

Good and brilliant students never come to BD politics. Non educated, half educated or maximum 3rd class holder in S.S.C enter into BD politics. Higher educated like Dr.Kamal Hossain very few in BD politics. And their position in BD politics is very bad! Because of Bangladeshi bearded goat public like to eat "Dalbhat". Khaleda Zia gave them guarantee for that .So, public running behind Khaleda's rich hip! And some body running behind Khaleda, because she is beautiful than Hasina! It's unbelievable but 100% true! Before 1996 election one of my friends (Journalist) and I went to some where for collect news by rikshaw. My friend asked rikshawala,"you give your vote to Hasina or Khaleda? "Rikshawala's answer was, "Khaleda," My friend asked again, "why?" Rikshawala said, "Khaleda is more beautiful than Hasina!"

I think all kinds of daily labor like this rikshawala. They love Bnp, because of Khaleda! White skin is their dream. May be some times they sleep with Khaleda on their bed in dream. And! I can't write anything more, because of I shame. But it's true. Truth always harder than metal and lie softer than flower.

BD MEANS BREAK DOWN

Why the brilliant students not like to involve in BD politics? Why they leave BD every year to the USA/Canada/ Australia or Europe? We called it BD, means: Brain Drain! Why? Because of they understand BD politics means Bustard's Democracy. BD politician means: Bhuifor Dalal (upstart broker). BD likes, wants, need only nonsense/ stupid politicians. Bangladeshi Dogs chose Ass as a leader. Nobody chose lion. For this all brilliant talent skilled leaving BD or trying to leave BD. So BD means Brain Drain. BD land is for brain less not for brilliant/ skill or honest.

On the other hand: BD means Broken Dream. BD always breaks public dreams. Dream of 1952 now some body feel pride and proud for their English knowledge! I'm sure they can't speak Bangla well enough. Dream of 1971 dream of 1990 Dream of every peaceful human being. BD means: Bad Dream. BD dream land for those who are like dog or crow. Crow who loves garbage dead rats or mouse. Finally BD means: Break Down.

POOR ARE BURDEN OF THE WORLD

Poor family means: poor mind, poor heart and poor head. Like that poor country means poor thinking, poor impression and poor expression. Their mind likes low price black shoe. Their house likes a shoe hole. Their worlds like a shoe market. Shoe is their idol.

Poorness is their identity. There is no purity in poor. All are fakes. Even their love to their babies! Poor never can give anything to other. They always ready to take from rich. Poor likes win the poorness. Nobody like defeat the poorness! Because of poor are addicted by poorness. Poor are burdens of the world. So I hate poor and poorness. Everybody should kick out the poorness. But many people can't it. Because of theirs poor head.

On the others hand Big Size big mind. Rich people are rich from every corner mind, head, heart etc. They have been bringing the world at this position.

KOHINOOR! AT MONKEY HANDS!!

I like and love Robindranath Tagore too much for his songs, poems and short stories. It's no doubt that he was/is and will be the best one in Bengali literature world. Robindranath Tagore who won the Nobel prizes in literature. And the writer of Bengali National Anthem: "Amar sonar bangla, Ami tomai bhalobashi. (My golden bangla I love you)
"Forever top of the Bengoli music. Robindranath Tagore wrote this song not for Khleda's Bangla. Or Chatra league not selected this song as a Bengali national anthem for this rubbish Bangla. Song is okay and land also okay! But not perfect for each other. Every one is it's place. My golden Bangla for Khaleda's Bangla! Like: Kohinoor's neckles at monkey neck!

Robindranath Tagore the great, famous and ever lasting writer. Mr.Tagore Come and see, misapplication of your great creations!

(P.S. Few rubbish manmal are always behind me. They are trying of their best to **bold** and Kick out me from this place. So that, they are always using dirty words, ugly behave and false blame to me and on my writing. I know they never can prove their claim against me. Enemy and liar will be destroying soon. But Sachchu is forever!

BANGLADESH A IMPERTINENT NATION

Bangladeshi doesn't know how to respect others. Especially to the senior citizen. They respect their parents and relatives only. But not from heart! Out looks only. Bangladeshi respects power, position and money too much and from the bottom of their heart. So who have money, power and position in BD they are respected and lucky. Money black or white doesn't a matter! Power and position good or bad it's not a subject to headache!

When a Bangladeshi rides on Riksha. They say, "Aey Riksha! Chalao (go) shahabagh. "Then they fire on cigarette or biri. And put their one leg up to another one! Rikshawala (driver) forty or fifty years old or more and passenger fifteen/twenty or thirty years only! Theirs behave to a visitor like a servant. But when they understand visitor is a powerful man or woman. They are ready to do everything! Even they are ready to clean or carry their shoe or underwear/bra, panty!

(Abdul kuddus Makhan who attended liberation war of Bangladesh in 1971. His age I think about 50 years. But you look in this message board. What you see? Many boys who was born after 1971. May be some of them are same as Abdul's 1st son or 2nd. I means Abdul is same as theirs father's ages. What they writing about Abdul or to Abdul! Bastard Bangladesh Nation (BBN) is final impertinent too. Even Khaleda Zia! Once upon a time she told beyadob (impertinent) to an MP in the parliament house!)

BE CAREFUL FROM BD FOODS AND DRESS

You are foreigners. You wish to take Bangladeshi foods! Curry! Its means you inviting your health enemy yourself! Because of Bangladeshi uses too much spicy and cloistral oil in their curries. Like turmeric, red chili, cumin-seed etc. Why they like curry powder I don't know! Especially yellow color. Nice to look at! Or tasty! Bangladeshi "Dal" One of my friend called it swimming pool. If you want to swim in your plate pool. You should drink dal with your rice!

WARNING: Before take Bangladeshi foods you must have to look at a Bangladeshi top to bottom! Specially head, face and stomach. Then you should to take decision, you take it or not.

Bangladeshi dress Saree and lungi: Bangladeshi is always naked! Even when they (women) are wear 16ft/3.5ft saree and man wear lungi too! Because they never use panty or under wear! So! Door is always open. They never able to save their prestige from the rough wind and century Manik (Manik is a university student who rapped 100!).

But non-Muslims women always use pant, panty or trouser. It's safety and nice too. Even bikini! Non Muslims are 100 years advances than Muslims of Bangladesh. Keep away from Bangladesh, Bangladeshi foods/ curry, dress everything! Because of every thing expired, over dated, or backdated. Even Bangladeshi mind and thinking too. Keep away from Bangladesh and Bangladeshi. Keep fine and smile.

BRITISH RULE WAS BETTER THAN NOW

Now it's proved that Bangladesh was better than now when it was under British rule. British left Indian sub-continent about sixty years. Yet now we can't forget and will never forget British rule because of many causes. British invented Bengali alphabet. They introduced Bengali with books. British tried to make Bengali educated. Their teaching style was excellence. Here are two lines:

**"Philosopher-Biggyolok, Plough man-Chasha
** Pumpkin-Lao, kumro, Cucumber-Shosha!"

Really excellence!

But in free Bangladesh: Au te-Aujogor (boa-constrictor)! Bho te-Bhalok (bear)! Sho te-Shap (snake)! Etc. When the babies ask to their mom. "Mom, what is Aujogor?" Do you have any experience or idea about moms explained and kids reaction? What wrote Din Bondhu Mitra in his Nil Dorpon! All was rubbish. I say Rat Dusman Shotro. British educated literate, civilized etc. They are better than Bangladeshi, Pakistani or any Muslims country. You move to Hong Kong. What they made it! British know how to take and how to give. How to keep balances between give and take! Pick and pay!

But you! Don't know anything except filthy or abusive words, cheating, nonsense or stupidities.

TAKE RESPONSIBILITY TO CHANGE THE WORLD

Bangladeshi mentalities are poorest mentality of the world. Bangladeshi heads are the poorest heads of the world too. They never can accept any new thing easily. They never can invent anything too. They are the second hands goods user. Some of them also like to use copy or fake goods. They feel pride and proud for it! They think this is life! Or life is like this! Enjoy copy, fake or second hands goods. It's life! But I think to live a life there are two ways only. (01) What is happening let it happen or (02) Take responsibility to change it. Second one is my choice. Bangladesh will change. We'll change it. What stupid thinking! They say and I stop my writing! It's never will be happen. Watch Dog or like a dog or doggy are great man to a Bangladeshi! Dogs are their model/idol! Like your great man or leaders all are my foot! I'll teach all of you what is great. But you must have to wait for that.

(P.S Last forty eight hours I was with my girl friend. Anyway now I am with you! Abdul avoid all babies like Silly baby. We are men. He says himself boy! But I think he is still baby. Silly Baby Heichchu. Tell him to go to babies play ground and play with others babies. Why he disturbing senior citizens that are like his father! Really all babies are great impertinent in Bangladesh.)

BANGLADESHI ARE TALKATIVE

Bangladeshi likes talking too much. Unnecessary talking! Like Goat dung. Without coma (') or full stop (.) Nonstop come out! I don't know why they like too much talking. Few examples here: Some one going to bazaar with bag, if another one sees him, he must ask, "Uncle! are you going to bazaar?" Or some one going for shower to river or pond with towel or napkin and soap. Anybody can understand if have little brain, where he is going. Even some one see him must ask, "Brother where you going are? And he never waits for reply! He must ask again, to shower? Like this: Fish how much? How much you buy jack fruit? Where are you going Mr.? Etc! If you not interest to give him the answer, he must push you again and again! He must create pressure to you! Until you give answer to him. This is Bangladeshi manmal. Like talking for nothing!

Two eyes two ears but only one mouth! Bangladeshi dam cares that! They know very well how to keep balance between input and out put!

HELL THE NEXT AND FINAL DESTINATION OF BANGLADESH

Biman Bangladesh Airlines already dead. It's never can run again to hell. It's never can carry the sinners to the KSA. Bangladesh under load shading. No gas water. Every where dishonesty. Even in the EC! CEC! Many ferries sank in the last few years and dead so many human beings. But colonel Akbor stills in his position! Shameless pig.

Nobody blame against any failure minister! Nobody file a case against any minister at the court about their dishonesty! Even nobody try to kick out them from their high position! Every where crisis. Khaleda still on power! Hasina is trying to kick out her. And trying to sit on the most powerful seat in Bangladesh. Public helping them! Helping them to take Bangladesh to the hell!

With 140000000 passengers Bangladesh running to hell, very fast, speedy! Pilot Khaleda and Hasina. One minute before enters into the hell Khaleda and Hasina must save their life with life jacket or parachute. But all passengers of Bangladesh must have to die into the hell. Hell the next and final destination of Bangladesh and Bangladeshi.

YOU NEVER CAN REACH TO THE TOP OF ALL

You never can reach to the top of all. Because of your school textbooks teaching you, "Oti boro hoyona jhore pore jabe (don't try to become very big cyclone attack you)!" Your religion is teaching you, "For knowledge go to China." But you don't have any right to ask, Who is God! Where he/she or hermaphrodite came from! How you reach to the top? By elevator! Or by air? I read at boyhood in my school text books, "Ahongker i potoner mul (pride is the cause of fall down)." I can't believe it. Pride is never the cause of fall down. Someone, who feel pride and proud, note it, those have so many cause of their pride ness or proud ness.

You Bangladeshi never can reach there. And it's out of your thinking boundary too. You pride and proud less nations.

01. You have nothing to feel pride or proud.
02. Your textbooks teaching you, "Oti boro hoyona... (Don't try to become a very big...)"

You never can reach the top of all until you kick out your present textbooks and foreign religion.

A DANGEROUS FOREST: BANGLADESH

When I thinking about Bangladesh, I afraid. The land of Bangladesh is a dangerous forest. All kinds of animal are available there. Lion, Tiger, Anaconda, Cobra, Bear.... Even the red and fire ants! Lot of killer rapist living there. Bangladesh like a deep forest. Till now sunlight can't reach there. I think never will reach. I want to go back Bangladesh but I can't.

Night before last I saw in dream, some one push back me to Bangladesh. I was walking on the village way with my girl friend Rose. All manmel even the cap/bearded 100 years old men were looking to her! With hunger eyes Like, they were hungry more than thousands years. Rose was afraid me too. Few minutes later, Eleven Muslims kidnapped Rose. Just they came out from mosque end of their afternoon worship. Cap was on their head rosary (toshbi) was at their hands. They rapped Rose long time. One after one! Once! Twice! Bangladesh rapped my love. They killed my love before me. I couldn't do anything! Finally they came to me and saying, "This is a nastik/murdat (atheist/infidel) kill him"

Who rapped and killed my Rose they were Muslims. Who killed me they were Islamism. I saw, I swimming on blood. I was afraid. My sleep was gone. I wake up. 3:00 a.m. Rose sleeping. I changed my sleeping gown. Because of sweat. I tried to sleep again but didn't come. I hold Rose in my arms tightly. I gave thanks myself! Because of I left Bangladesh and reached at the safe place on time. When I think

Bangladesh When I see Bangladesh even in dream I am afraid.

NOTHING IS FAIR IN BANGLADESH

Every where partition in Bangladesh. School, college, university even in the court! There students are divided into two parts Chatra (student) League and Chatra Dol. Teachers are divided into many parts! White, Blue, Pink! Teachers have color in BD! Ha ha ha. I hope that in future BD public will see black, red or yellow color teachers. Lawyer divided into two parts Awami (public) lawyer and Jatiyotabadi (nationalist) lawyer! Journalist holding so many colors too! Awami Journalist and Jatiyotabadi journalist. Red black, yellow etc too.

There in Bangladesh don't have any intellectual who holding aristocracy or personality. All are menial/slave to present or past government. Professor Emaj Uddin one from them just for example. Nothing is fair there. Even the admission test of college or university or judgment of court! If you are a Jatiyotabadi Bnp give you all. Post-position, money, powers everything! Even you are an ass/she-ass or bearded goat/she-goat. No problem. Your worth (merit) is you are a Bnp'ist! For Awami League is not as it is but you must received facilities from Awami League if AL is on power. The Bangladesh is hell of the world.

ABID HOSSAIN: STORY OF A RAZAKAR

Abid Hossain alias Abed Ali or Abad Mia who was a bad son of a poor farmer Chondu. Abad Mia was a third class holder in S.S.C and who was the against of Bangladesh liberation war. Against the freedom fighter of Bangladesh in 1971. I mean he was a pati (small) razakar. But now.....

He is a Union Council chairman of Bangladesh! He won chairmanship with out any competition. Not only that he is a thana (police station) level secretary of Bnp politics! Abad Mia was a chamcha/slave of Ata Khan. Who was a Muslim leaguer. When Ata Khan went to toilet, Abed Ali waits out side of toilet with soap and towel. One day Abad Mia called father (Baba) to Ata Khan and join with Muslim league politics. After 16th December 1971 Abad Mia saved his life by hard work with chamchami. One day General Zia occupied power of Bangladesh by gun. Abad's new father Ata Khan and Abad Mia joined with Zia. Few years later Ata kick out from Bnp politics .After that Abad Mia never looks to his new father Ata Khan! Abad Mia made a good position in the Bnp politics in Nababganj area by his great chamchami. Abad Mia more advance than others political chamcha/slave in Bangladesh politics. Here is one example: Time of election Abad Mia was keep quite silent! After elected he came out to the limelight from the under ground and hold microphone first of all! Not clear? Wait...

After Ata Khan Kick out Abdul Mannan became a MP from Bnp. Local public wished to greetings Abdul Mannan. They fixed a date time and venue. With out any invitation Abad Mia attended there and holds microphone," Mannan sahib (Mr) is a great leader. He

can make this road with gold and” Abad Mia told. He felled in Mannan eyes! Now Abad Mia always with Mannan! From the time of Zia's rule Abad Mia giving bamboo to the general public with out any oil but very smooth and easily! Abad Mia forgets his second father Ata Khan! Now he is the great slave of Abdul Mannan Who is a MP of Bnp from Nababganj Dhaka 2 seat in the national assembly of Bangladesh. One day Abad Mia must leave Mannan like Ata Khan if Mannan fails to win the election. Abad Mia uses his leader like a ladder to reach the top. Top of his leader too!

Abad Mia is an infidel too. He doesn't keeping any faith to God or religion. He is doing business on the name of God and religion. And he is success in his religious business. Son of a poor farmer now richest one in nababganj area! But large bearded goat BD public hates Taslima Nasrin or Sachchu only for their infidelity!

Abad Mia who is a top to bottom 100% pure razakar, 100% criminal, dishonest he living in Bangladesh with full power. But we good gentle honest finally better human being who loves Bangladesh too much from their hearts they are fleeing from country!

Bangladesh you great mother! Abad Mia is just like mother like son.

BANGAL OR KANGAL

Bengali are Kangal (pauper) from every corner. I saw their line at Christian Action in Hong Kong for free foods! Most of them were expired! Even then big queue!! Because of it's been free! Bengali's natural habits to queue up for free goods even tar! Second hands clothes! Bengali are lowest class beggar.

Bengali or Bangladeshi is not lucky but Bongobondhu Sheikh Mujibur Rahman, Robindranath Tagore and Professor Yunus was lucky! Because of they got chance to make Bengali or Bangladeshi to the human beings.

After liberation of Bangladesh once upon a time Bongobondhu said "Everyone gets gold mine but I received thief mine." Robi's speech "When they'll born in this Bangla who'll do their work more than their speech."

CO-WIFE

Bangladesh is a playground. Khaleda and Hasina captain of two jokers team. Viewer public (foreign countries) is laughing for their performance. Bangladesh always is in crisis. But now is in the deep crisis.

Actually British rule or Pakistani baton (post) was perfect for Bengali or Bangladeshi. Welcome USA occupied Bangladesh like Afghanistan or Iraq and teaches Bengali or Bangladeshi a good lesson! These two women's behave like illiterate village women. Some times I think Bangladesh is their husbands! They two are wives of Bangladesh. Co-wife!

MEANING OF LIFE

Bengali or Bangladeshi doesn't know the real meaning of life. They also don't know what is peace pleasure enjoy or happiness. Anyway they earn money or try to earn money. Thief, robbery, cheating/fraud, by human being export! Or earn money by road cleaning in the Middle East, dish wash in New York, flowers hawker in the Europe.

Make a new house, new clothes and three times take much rice with small curry. Home to bazaar. Afternoon men like post at tea stall. Women "Oh! My husbands always buys good things for us but their husbands always bring rubbish one!" It's Bengali's routine work in their daily life.

Nobody visit bookshop or Public library. Nobody travel with their wives or girlfriend in or out of Bangladesh. They don't know how to loves their kids. How to enjoy open air concert or close hall cinema! They don't know how to make a fantastic kiss. How to catch or hold each other in theirs arms or bed. Finally they don't know how to make a most pleasurable and unforgettable moment. They are wasting their time behind some thing rubbish like Hasina or Khaleda!

Religion

THE MUSLIMS ARE POOREST BUT FUCKER

The Muslims are poorest people in the world. They are poor from every corner, all sides. They are poor from their head/ brain education behaves technology, culture, mind, money and thinking. Because of their religion. They have limitation of thinking. Some people and nations have big money. They are careless about their religion. Every year they visit Egypt India China Hong Kong Singapore Philippine Europe and United States of America. And enjoy life/sex with foreign girls, women, prostitute etc. Even in the Arab land most Arabian uses their domestic helper, driver, and gardener. Man and woman both. Father and son use the same one girl or boy! Mother and daughter use same one boy or girl! Their religion teaches them like this. It's true the Muslims are great fucker. Every family has many kids like pig and dog.

Every year many people goes to makkah (Muslims holy place!) for spend their money. They can distribute this money to poor or they can visit Philippine or any non-Muslims country for their best recreation or pleasure. Once a time, I participated at hajj for practical experience, nothing is there except fun. I like to say to all religionist Come back to the Civilization.

THE MUSLIMS ARE GREAT LIAR

The most liar is in the whole world are Muslims. They like and love lying. They know very well how to tell a lie. Lie means dishonesty. You can move your eyes to Muslims nations like Bangladesh, Pakistan, and Indonesia or to Africa's Muslims countries. Do you know the report of Transparency International of Bangladesh? Bangladesh are championing there! First place forever! Because of they are Muslims. Do you know Dhaka the city of mosque? Near future Bangladesh will be the country of mosque. Means country of dishonest! That time you'll feel pride! Because you'll have own identity! Dishonest nation! ha! ha! ha! Now also you are dishonest. Do you want any certificate from the United Nations? Few days ago I saw in the newspapers, "Bangladeshi is the happiest nation in the world." I surprised! Happiest nation! Happiest is for what? Dishonesty!

On the other hand: You move to Australia, New Zealand, USA, Canada, and Europe in Asia Japan, Hong Kong, Singapore etc. They are not Muslim nation but honest nation in the world. Its means Islam makes the human being dishonest. Pornographic is better than religion talking I understand it's Very well but Muslims can't understand this! The religion is old song. Why the religionist repeat it! Day after day! Century after century! Generation after generation! You have to move from religion. I am trying to remove it from the world forever. I can't it because of you Muslims, Old song singers!

YOU MUST HAVE LISTENED TO ME

At first I have to say something to new Muhammad (!) Who wrote to me one line message from Toronto, Canada. Muhammad I think you have good knowledge about English and grammar. I understood very well you are the son of an Englishman. So you can speak, read and write English well enough. But for me, I am the son of a Bengali. English is not my mother or father language like you. But I believe everyone can understand what I want to say in this board. That's enough. Last sentence for you, "Hati ghora gelo tol, Vera bole koto jol!" (Elephant horse all are gone down but sheep saying, "oh! Many water!")

You want or not, you like or not I dam care! You must have listened to me in this message board! After long time I get real freedom here. Freedom of writing. This board is not your own board. This board is not your Allah or Mohammad's property. This board is open for everyone who can read and write. You Muslims spoil my life. You Muslims destroy my Happiness, peace and pleasure.

In Bangladesh, my resident was very close from a mosque and madrasha. Every time they made noise. I couldn't sleep well. I couldn't do my homework well. I couldn't think nor do anything. Daily five times or more they went to before microphone and start outcry. When they started out crying at early morning. oh! Really unbearable. I was displeased/ fade up/boring. Because of the voice was not sweet. All time same song! Without any musical instruments! I couldn't accept it. But I had to accept. I had to Listen it. Because I nothing had to do. Everybody knows Muslims faces are looking like monkey face but

nobody can say that truth! Because of you are wild. You don't like anything-even truth if it is against you!

MOHAMMAD THINKS HIM CLEAVER!

Current version of Quran is very old. Muslims need to upgrade it very soon. Otherwise, with out latest version of Quran they can't keep their position in the religion race. Many messenger like Salman Rushdee, Taslima Nasrin, and S.K.Sachchu coming with their own, new and latest doctrine. If you Muslims fail to upgrade it, you'll be finish end of 21 century. Please take mentally preparation from now. Otherwise, you can't control yourself. Oh very sad!

Mohammad thinks him cleaver for this he closed the way for next generation. He told "I am the last prophet nobody will come after me". He thinks him cleaver actually he was a great fool. I never do like that I am keeping the door open for my next generation. They will come with their latest version of atheism doctrine for peace and prosper for the human being.

Dear readers Open your eyes and come to sunlight.

PLAYING GAMES ARE NOT YOUR JOB

Why the Muslims come to healthy competition? Like World Cup or Olympic! This is not their job to join the world sports community. Their God has been creating them only for pray to their God! Not for playing games or others except religion related something.

Molla's (priest) run until mosque. Muslims don't know this! They are trying to extension their world? Or trying to break the restriction of religion? If the last one. It's okay. Well come. If not, go back to the Arabian tent.

HEY! CONTROL YOURSELF OR...

Please never do any bad comments about any illiterate one. Because of many great or famous human beings was illiterate. Like Philosopher Socrates, Great man Aroj Ali Matabbor evens your prophet Mohammad too! I saw in my own eyes, many higher educated persons couldn't speak or write English well enough. May be all of you who are writing from English land they didn't know English well before leaving their country to USA, Canada, Australia or England etc. Remember your past and control yourself. Otherwise, Sachchu is here! You will have to listen something-double special. Understand?

THESE ARE GOD SPEECH!

Major Muslim can't read Quran. Very few know how to read this Jumbo book. But it's true that, they don't know the meaning! Meaningless reading! Like tota pakhi (parrot). Hattimatimtim.... (Nonsense string!) I am sure, when the Quran reader will able to understand the meaning, I am over sure they'll throw it. It's my faith, confident. Here is few examples **01.**Sura Al Bakarah means-sura Cow! **02.** Ayat al Kursi means-Chair sura! **03.** Sura al hadid means-Iron sura! **04.** Sura al Fil means-Elephant sura! All sura's meaning like this. Do you know the meaning of Sora Lahab? If you can understand really you never touch it.

"I had one dog. Its name was GoAzam. I loved him (dog) very much. When I went to toilet he always followed me, Allahu Akbar (put your head on the earth and standup) Start again, One day he became mad and he start bite everyone/ everything even dirty shoe and stool! Allahu Akbar (go to down again!). One day all crazy people beat him too much and he left my house. I lost my pet dog. Allahu Akbar.

Many years later I find out him in the world's largest garbage Bangladesh. He changes his name. His present name is Motiur Rahman Nizami. But still now he is mad. Allahu Akbar. He forgets his God, owner! I hate him. He must be destroy Allahu Akbar (go down!)."

You believe it or not, my dog history and meaning of Sura Lahab same! As it is! You can check if you wish. These are God speech? You like pray with this kind of Sura?

QUARAN, STORY OF A BANGLA CINEMA

The story of Quran likes a Bangla cinema! Like Komolar Bonobash, Rupban, Shawdagor or Ujan Bhati etc. There God is hero like Manna and Iblis is anti hero/vilen like Dipjol and Muhammad is "nater guru" (producer). It's a most popular movie. Everybody knows who the viewers of this movie are. Drivers, all kinds of daily labors! Who are poor and illiterate.

On the other hand: Infidelity, ok like a cinema too. But it's an art film. This film is not popular but important. Who are these film viewers? Teachers Professors Journalist Artist etc. All are the wise men or women. Finally intellectual classes. Who are very few countable but important for the nation or world. Different between popular and important is like Humayun Ahmad and Human Azad! Both are professors. Both are writers and both are Humayun too! But one of them are (Ah) mad! Another one is Azad (free)! Do you understand? If not, leave this place and go to Baburhat, sale Lungi.

ALCOHOLS AND MUSLIMS

Muslims like alcohol too much! Sometimes more than non-Muslims! I saw so many Muslims drunker in my own eyes. Unbelievable but true. They can't control themselves. After drink, they must beat their wife (if have), out crying, use ugly or dirty words, somebody start crying, somebody broken their households! Or somebody vomits because their stomach can't accept it. "Like, kuttar pete ghee hojom hoy na (Bangla phrase dog stomach can't digest butter)." Most Muslims never buy expensive one. Some of them want drink but never want buy. They drink free or deep tube well's water. And say, Alcohol is no good!"

Actually they are close-fisted. They don't like spend their money. Non Muslims think money for life but Muslims thinking life for money. For this, they leave their family and goes to rich country for better life. Like Watchdog and his friends! They are enjoying their life with alcohol or Non Muslims girls or old woman! But they'll never tell to you anything about their personal life. That is very dark or dirty. It's Muslims character! Speaking is well, heart black to more black.

Watchdogs built their house in their own country. Poor Muslims see them like a hero! Because they make building and remove their father's slum! Building helps them to hiding their slum and dirty life! Then they be come a leader! And teaches the people: "Never drink alcohol, don't look to other women! It's a great sin! Understand?"

Muslims! You really great!

ISLAM WHAT A RELIGION!

Do you know the history of Zoom Zoom? Korbani? Sword of khalifa Omar? Jaed and Joynob? Mohammad wished to marry wife (Joynob) of his son (Jaed)! About Mohammad 13 wife? One of them was boy! Mohammad was gay! Krishna korle leela khela Arr amra korle luchchami (If something done by religious leader it's playing but when we done it's licentiousness!)

Water means: Pani, not Jol! Bengali culture means Hindu culture! Apricot means Jolpai! Why not Pani pai? God or Allah is in Bangla Khoda (urdu), why not Ishwor? Because it's Hindi! If Abdur Rahman is ok, What problem is in Doyal Das! Why not Ram or Sam? Because it's not urdu? Or your God can't understand that words? Why Jamat like Allahma Iqbal? More than Robindranath Tagore! He is Allaher ma (mother) or bap (father) it's doesn't matter. Matter is on the name of God Jamat wants to make Bangladesh to Bangastan. Khoda/ Pani/ Roza/ Namaz etc words message to Bengali, Bangladesh in future will be Bangastan or Pak (nongra) istan. So be carefull.

IS MUHAMMAD ALLAH?

When you are participate at any religious party. You must hear, they speaking about hadiths or something from hadiths! Hadiths means: speech of Mohammad. All Islamist like to discus/describe or explain about Mohammad more than their God! Because of they know very well nothing is in the Quran. For this, Muslims made it Jumbooooooo or bamboooo size. For show or give to others. I think they want to say, "Look! Look! Our Quran is more fat and healthy than other's one. It's roly-poly like our God. So, you come and enjoy our club. You can play here as you wish! This healthy book will save you on the name of God."

When the scientists invent something, Muslims start saying, this formula from our Quran! They got it from Sura al ... and aya no....! Like "Juta abishkar" by Robindranath Tagore. "Amar o chilo mone! O beta janlo kemone!" (How they knows my mind's speech!) Hay Muslims! Muslim can't tell Mohammad is Allah but they want to tell that. In future, they'll tell Mohammad is our God (like Jesus, God of Christians!) Muslims saying only six hadiths are correct. Others are incorrect or false. They called that six Sohi Sittah (true six)! I tell Sobi Mittah all are false!

In this message board nobody can provide any strong logic against my writing. So, one by one they are leaving/avoid this topic! But if I am in a Muslim country and in front of them! Oh my goodness! They must kill me. The world knows very well, Islamism means wildism.

YOUR GOD IS NOT FAIR

Muslims stomach is bigger than their head. They want to put the world into their stomach. But they can't it. Because of their head is brainless. And they can't do anything good for the human being because they are heartless too. But who have money they like to eat. Some can others can't. Who can their height and width same! They look like ox and cow. Somebody looking likes small hill or mobile tent. Especially this kind of men or women you can see in Arab land. In the desert! Others are very thin! No head/ brain hearts or stomach! Because their God didn't give them anything! God, who see to everyone equal! Same eyes! You move to Africa, what you see! Muslims or not all are strange looking. Their nose, hair, lips, breast, hip etc are very ugly to look at. It's God's choice! Human being looks like animal! Now move to Europe, America or Australia continent. Most of them don't believe on God but everyone very nice/beautiful or handsome looking. Not fall twinkling of an eye! Which God creates them? How many God in your eyes? Which God is the best creator and why? Ha ha ha. No answer!

If God is only one in your eyes, remember he/she or hermaphrodite is not fair! I love all human being. Even African and who are very ugly to look at too. This message is to them who are mad of God. And I want to teach them human being created by the nature. Theory of Darwin 100% Correct).

MUSLIMS ARE SICK

Every Muslims, boys or girls, men or women all are finger fucker. Before marry every boy or girls doing it so many times. And after marry if husband and wife stay in different place, they must do it or fall in adulteress/ another wife or mistress. Some of them also visit call girl and watch pornography. Muslims are close-fisted. So they use cheapest one. Actually Muslims are never afraid from HIV/AIDS they afraid from losing money.

I saw in Hong Kong, thousands of domestic helper. Most of them were from Indonesia. Others from Philippine and few from Sri Lanka. Every Indonesian girl or women have 2/3 boy friend at the same time! In holiday morning they meet with one and afternoon with another! They use 2/3 SIM card also for their hand phone. And they are giving everything for their boy friends If need. Something like these: house rent, food money, mobile card, TV, VCD or DVD player! They help their boy friends who are also Muslims and illegal worker in Hong Kong. Generally they are afraid to go out. Every holiday their girl friend comes to them with foods fruits and of course sex machine! Like Bangladesh son-in-law visiting father-in-law house! They are from Bangladesh and Pakistan. And rest of them from Africa.

All Muslims like this. Some get chance for enjoy in their life others are five finger fucker! It's very bad to listen but true. Now day is changing. I hope they'll be fast and modern about sex and education. Nirod C.Chowdhury, writer of "Atmaghati (self-sacrifice) Bengali" was absolutely right about Bengali.

WHY NOT PORK OR BEEF! ENJOY FOOD

Muslims can drink wine/gin/Vodka/Beer/Rum/Bangla etc. They like to use prostitute/others girls/women or boys. But they don't like pork meat! It's really funny! I like pork meat very much. It's really tasty! More than beef or sheep, chicken or mutton! You can taste/on test one time. I am sure that then you never can leave it! Same to Hindu. Why they don't eat beef! Both are foolish but nothing. Listen all Muslims: Who are eating pork meat they are wise, intelligent, beautiful or handsome than you! And rich than you too. If they can eat, why not you? Same things for Hindu.

Now I am waiting for dog meat. I hope, very soon I'll enjoy the chocolate curry of dog meat. I think it'll be tastier than pork meat!

RELIGION AND POISON

If you drink a cup of poison then and then you'll die. Poison will affect only you who drink it. But when you accept any religion keep your faith on God or Allah you'll become a more dangerous than poison. You'll become a mad wine drunker like addicted by fancied or Bangla wine! Great example is Osama Bin Laden, Shayok Abdur Rahman, Bangla Bhai, Sunny, Awal. You are not killing yourself you are dangerous for modern society freedom of thinking speed breaker of life turner to the backward. You are killing the nations killing the world slowly by your religion poison.

If poison is dangerous why not religion?

GOD NEEDS HUMAN BEING

Many years ago, I read in the newspaper. An Indian journalist wrote in one of his article, "Now India's population is 99 crore (ten millions= one crore). And we Indian believe on 33 crore Devta (Devta=God or Goddess).I want to say only three people for one Devta. Why one Devta can't change three Indian's fate!" I think here it's cleared that, Devta, God, Lord, Allah, or Baghban etc. doesn't have any power. For this, they can't change anything. Even they don't have any power to stop them who are writing against them.

Actually, God not created human being, Human being created God for their job or business. If you are not blind you should see human beings donate to God for making his/ her/hermaphrodite's house (pray house like mosque, mandir (Hindus alms-house), church, pagoda or madrasha etc. You stop your menial ness for few days to God or for God. Then what will be happen! Do you know that? God will come to your door with a broken plate and will say, "Oh my God, please help me!" You will be the God of your God!

Finally: Human being no need God, God needs human being.

MUSLIMS DREAMLAND IS NONMUSLIMS LANDS!

If you ask to any Muslim, which country is your dream land? All of them will say Europe, USA, Canada, Australia, New Zealand, Japan, Korea, Singapore etc. All are non-Muslims nations! Nobody says my dreamland is Saudi Arabia, Iran, Afghanistan, Albania, Sudan, Somalia etc. Because they know very well money or recreation nothing has in a Muslims country. So for better life their first choice above countries.

Muslims hate Non Muslims. Especially USA But their dreamland is USA! Their dream house is White House! More than Kaba'h! But the true is they never tell to you that truth. I am over sure, if the USA government calls to all Muslims for enjoy their Hajj festival at White House in the Washington D.C. at the same date and time, not a single one will go to makkah except mad and kids. Because Muslims knows: White House is more practical and most powerful than Kaba'h.

Actually, Muslims feel jealous with USA power. But they don't like re-cycle themselves to non-Muslims or good power like Canada, Norway, Sweden or Switzerland etc. Muslims are always looking for short cut way to power. Cause they are lazy. Their religion is teaching them lazyism.

START WITH OUT ANY DELAY

Immediately we need to destroy all pray house and madrasha (mad means pagal & rasha means khana). Madrasha means pagalkhana (mad home). This two are making people lazy and crazy. Many pray house, madrasha means many ordinance (religious prescription), many problem and many crisis. Five times they pray in a day! Best way to giving faki (something void) in work! Wasting time money clothes papers Ink energy brain etc. Now Bangladesh is in deep crisis. Under many problem because of this two mosque & madrasha.

Mosque or madrasha never gives to the nation any doctor, engineer, lawyer, journalist, scientist or writer etc. This two are giving only matha mota (thick at the top/stupid), pet mota (pot-bellied) or jmb (followers of world most wanted terrorist Osama bin Laden). They are trying to make Bangladesh to Bangastan. There is no freedom for human being. One most important writer in Bangladesh Syed Waliullah wrote "Cap is more than crop." I say the world no need cap. So stop them now.

MUSLIMS ARE MAD AND FOOLISH

Hindus, Buddhists keeps something Like Stone, statue or picture of something before them, when and where they pray. It's foolish. But you Muslims! Nothing keeping before you! Zero, I means nothing is your God! It is great foolishism. Better pray to a real dog. It's more practical than your God.

I can't stay in my country because of you crazy Muslims. You want to stop me! You want to kill me. You announced prize money for Taslima Nasrin/ Salman Rushdi But why? The world is not only for you for all. But You Muslims thinking the world is only for Muslims. Because of you blind or you have limitation of your eyes.

Your head is garbage. You never can invent or discover anything. There is no scientist in Muslims. You never can provide something good for human being. Only you can provide Osama Bin Laden or like him. Non Muslim invents lot of things even you don't know how to use that! You Muslims are talking too much with pride and proud! Only blind can do this. You forever blind.

IF THE USA IS GOD IT'S OK

GoAzam, Nizami, Saydee or Osama Bin Laden all of you are agent of God. But not sole agent. Like you many agent all over the world doing their duty (!) It's nothing but wasting time. Please try to understand you are running behind zero. Zero's don't have any power. You look to the USA strongest more than United Nations! The USA has lot of power. They can occupy any country of the word. Like Iraq or Afghanistan.

They can solve any problem in the word if they want. Except Palestine and Israel. Because of they won't it! I want to say they can do anything if they want. Even United Nations can't stop them! It's God! Muslims are going down your God smoking tobacco in heaven! Many Hindus can't eat their Baghban looking from top of the world! Many Buddhist and Christian also fall in deep crisis. Your god watching but nothing! Please all of you tell to your God come down and solve all problems around the world. Otherwise you have to leave that kind of God. Avoid Godism keep fine and smile.

HONESTY IS TOO HIGH THAN YOUR GOD

I feel pride and proud for my honesty. That one is true I believe I must tell that to others it's my duty. I'm a better human being because of my infidelity. I proudly like announcing to every one that I am an atheist. I never can avoid my identity. If I tell you avoid Islam, can you do it? May be you can. It's possible.

I was born in a Muslim family. I know Muslims and Islam well enough. I broken that case and came out. It's so difficult but not impossible for them who are looking for the true and sunlight. My faith, honesty is too high than your God. I can't leave my identity. I can't cheat myself for better shape. In my knowledge: Only Muslims can do this. Islam teaching them likes that. Example: Sura Kaferun. There is "lakum deenokum Olyadeen," (my religion is mine your religion is your). Here is looking nice but when we see in another sura kill them pair at a time! Then we can understand very well what Islam is!

Only one religion in the world that has been creates many problems. Attended many wars and fighting against people and killed them on the name of God. Still they are killing human being. Islam the name of peace! How funny! The USA is not my God. I told if some one wants to believe on God, he/she can believe on USA as a God. I don't like to stab on any bodies back. I am just doing my job.

HUMANITY: RELIGION OF HUMAN BEING

Religion of fire burning, Religion of chili hot, Religion of waters falls down. Like that Religion of human being is humanity only. But some criminal minded men and women divided human being into many parts. They did it on the name of God. I like to say they are beneficiaries of religion. Like: Muhammad, Jesus, Buddha etc.

Muslims saying Islam is only true religion and the Quran is from original God others are false. Hindus says Sanatan (Hinduism) is old and first religion others are false they stolen from our Geeta or Bedth. Same for other religions. They hate each other. But I hate all of them. Because of them all are false, fraud thief. They are cheating with people. I love and respect all human being even bustard Jesus/Isha son of Merry or Merriam. Who was born without father (!) I can't believe it. He fathered but hidden. Nobody can born without sperm. You respect him on the name of God. Because of you are beneficiaries of religion.

Why you can't respect him or others bustard yourself as a human being?

MONU, MUHAMMAD, HITLER ALL ARE SAME

The Quran, Geeta, Bedth, Bible all are books like Geetanjali, Agnibina, AlifLaila, Hamlet, Andhakar Dwip or Shat Kahan etc. Written by someone like you or me. Monu Muhammad, Hitler all are same or little bit different 19/20 no more. If you hate Hitler you have to hate Monu, Muhammad and others like this two stupid. If you love Monu or Muhammad you have to love Hitler but you can't do it! Why?

Do you know? Muhammad and all religious leaders (?) was illiterate, play boy! Now is the time of illiterate. Dear infidel we have to wait. All fundamentalists have to go. Time will come.

KEEP AWAY FROM MANMAL

Dear Human Being
Major Muslims are not human being. They are manmal being. Like Delwar Hossain Saydee, Abdul Kader Molla, Bin Laden, Jmb, Taleban or Al Quida. They always like to bite/defeat human being like Salman Rushdi, Taslima Nasrin or Sachchu and others. It's their habit.

Really I surprised! When I see so many modern educated persons keeping faith on God or Religion! And pray behind illiterate or half literate one! How possible it!

IN ARABIC BY ARABIAN TO ARAB

The Quran is a book. Written in Arabic by Arabian to Arab nations. If the others nations (English, Japanese, Chinese, Bangalee, Kangalee or Hindus, Buddhist, Christian etc) wish to read it want to read it, it's ok. But you look, before touch Quran you have to need ablution! Even non-Muslims! I surprised when I see somebody afraid to touch it without ablution what a blind foolish!

But for me, When I read it I touch it several times without ablution. Nothing happened! Why you afraid man? I can kick it. But I don't like that. Because I know the famous speech of Oscar Wild "Books are well written or badly written that is all." If you like, you can read it one more two more times.

Everybody have own choice, right to choose. But remember crow loves dead mouse and dirty things. If you don't like, you can say no more no more it's enough. And you should throw it to the garbage. Better you throw it to desert, into the small tent under the date trees of Arab forever.

RELIGIONIST ARE BRAINLESS

Religionists are brainless. Brainless means dangerous. They can do anything because they don't have thinking power. Their behavior, approach, impression, explanation, even hospitality ugly, dirty. They don't know how to do gentle behavior. They are wild. They don't know how to respect others. Their voice is higher than their head. Their muscle is stronger than their brain. They believe the sword is mightier than the pen.

They don't believe practical, present! But they feel pride and proud! Because of they have been keeping faith on one thousand five hundred years past! The world advancing very fast but still they are there! They believe thousands years later! They can see what will be happen after die! But they can't see heaven is in the world. They are making it hell.

SOME OF MY RELIGIOUS FRIENDS!

It's truth that religion has been creating many problems for me since my boyhood. Even in the different countries! Even then I have many good friends whom hardly believe on God or Allah! Those are British citizen Peter Farley-Moore (Director of Discipleship of St. Andrew's Church Hong Kong), Journalist Andrea; South Korean Kevin lee; New Zealand citizen lovely girl Kate; Chinese Advocate Xiong Megay; Nepalese Laxmi (Lara Rai); Sri Lankan Susit; Philippine's Paz; Bangladeshi Aminul Islam Dalu, Khalil Dewan, Delwar Hossain Rashed, Mohammad Rafiqul Islam (Assistant superintendent of Nababganj Yatim Khana and Madarasha), Kazi

Abdul Kyum Kazi, Moquaddas Badal and many more! They have good position in their society. But they are friendly. Why others are crazy, wild! Why not above person!

MODERN EDUCATION AND ECONOMICAL SOLVENCY IS IMPORTANT

Modern education and economical solvency can give the real freedom of human being. I believe one day all human being will be reach there. They'll keep the Quran, Geeta, Bible etc into their national museum. Their next generation when will visit museum, they will see these books and will say oh Scientist! Our before generation had faith to unseen unknown one! What was a foolish they are! Or somebody will try to find out the grave of God. I am waiting for that time. I don't like to think that, that time also someone will be there like these dirty guys who are writing lot of dirty words against me.

Some times I think what they learn from their families! Or what their families teach them. May be their families are dirty like their comments. I am honest and better human being. I feel pride and proud for my honesty. We have to wait; time will say who rubbish is or who is not.

IMPROVE YOUR INTELLECTUAL VOLUME

When I was a primary school student: I think Islam and Muslims on the right way others are on the wrong way. What a foolish Hindus, Buddhist, Christians etc! USA, Canada, Australia, Britain, Germany, France etc nations who are ruling the world, but ignore about Islam and Allah! What a foolish they are! Why they are not applying themselves to Allah and Islam!

I am like a university teacher now. I think all are false. But Non Muslims are more practical than Muslims. For this, they are more advance and better than Muslims. When your intellectual volume will be reach to the higher level, everything will be clear to you. So, improve your intellectual volume height to high.

AT FIRST YOU HAVE TO KNOW

At first you have to know

- 01.**Who is God?
- 02.**Where he/she or hermaphrodite came from? Or
- 03.**Who sent him/her or hermaphrodite to you?

I am on tour now. Little bit busy for my life. When I have enough time I can waste few from there. But now sorry Because of me not blind like all of you. If I not work your god ever help me. God also never help all of you too! Who are keeping faith to God! But they like wasting their time! What a surprise! You have own eyes! Really have you? Try to see.

TO WHOM THOSE ARE SOCKED

Somebody is surprised! But I don't know why? Why they are crying for religion! What they got from goat God?" Quran al Karim" I read it. What have there? Nothing but horse egg!

Who believe on God?

Ans: Poor, homeless, street sleepers, illiterate, uncivilized, blind, greedy and timid. People read it for humor like Alif Laila drama. For make public foolish to more foolish criminal minded men & women believe on God. Because they need power and they know well enough major public are sheep. Who blindly believe on unseen & unknown one (He? She? Or Hermaphrodite?) You welcome to sunny world. Come and see...

DHORMO IS NOTHING KORMO IS ALL

God and religion these two stupid words are made by criminal minded human being. God and Dhormo (religion) is nothing. Kormo (work) is all. If you do good job you must receive good result. It's truth. If you do bad job you never can hope for any good result. Even on the name of your God or religion.

So leave religion and hold kormo (work). Kormo will send you to there where you wish to go. Do you remember, "As you so, so you reap!"

MOTHER THERESA WILL GOES TO HELL!

Muslims believers of Allah (God), followers of Islam. They believe only Muslims will go to heaven. All others will go to hell. Who will go to heaven?

Answer is Goazam, Nizami Muzahid, Saydee, Kader Mollah, Yeahia, Ayub Khan, Shayok A.Rahman, Bangla Bhai, Shany, Awal, Osama bin Laden etc. Who killed thousands of human being, Izzat Ali Mia, Kismot who raped 15 or 20 years old girls, Muhammad, who married 13! One of them was boy! Merry or Merriam, who was the mother of fatherless baby! All are killer, rapists, thief, and robber, cheater, terrorist and wild. Above persons will go to heaven! Ha ha ha. Your God really great! Like father like son! Or like son like father!

Who will go to hell?

Answer is Robindranath Tagore, Shakespeare, Aroj Ali Mattabor, Humayun Azad, Taslima Nasrin, Ishwor Chandra Bidhya Sagor, Raja Ram Mohan Roy, Mother Theresa, Princess Diana, Mahatma Gandhi, Geris Chandra Sen, Newton, Right Brothers, Bertrand Rachel, Graham Bell, Nelson Mandela, Aung Sun Shuchi, George Harrison, Lata Munghesker, Satyajit Roy, Amitabh Bachchan, Madhury Dixit, Bill Gates etc. All are world's famous human being. These all will go to hell! He he he.

Dears' readers, now you have to take decision. Where you should go, heaven! Or hell!

YOU DON'T KNOW WHAT HAPPENED AT LAST NIGHT!

Last night I saw in dream. One oldest hermaphrodite came to my door. Then knock. That time I was listening Tagore songs. I angry and think who was this nonsense disturbing me at this glorious moment! I opened my door. I asked hermaphrodite, what you want. Hermaphrodite told me, "I am very hungry, please at first give me some food." I feed hermaphrodite bashmoti chaul er bhat abong ilish with shorsey bata (Rice of best paddy and national fish of Bangladesh with an excellence paste). I like it too much. I made it for my dinner. This was the rests. Anyway hermaphrodite taken all food and told me, "I am hungry from long time, Thank you for feed me excellence food".

I asked who you are. Hermaphrodite said, "I am the God! But now I don't have power like before. Because of I am very old. I can't control the world". What can I do? I asked. Hermaphrodite told me, "I want to share my power with you if you stop your writing and speech against me". I told, go back hurry and never try to come back at this door again. Understand? Hermaphrodite afraid me and started crying. I closed my door and sleep.

I wake up at 6:30 at morning. Open my door. And saw one very old and sick dead dog lay down out side of my door. Do you know who that was? That was your God! Who came to me last night in dream. I put your God into the earth 51-meter deep from the sea level.

MUSLIMS YOU WASTE OF HUMAN BEING

Muslims hate Non Muslims. They think non-Muslims are their enemy. They called non-Muslims yehudee (Jewish), nasarah, etc.

But Muslims like theirs electronics, motors, cotton, and plastic. Everything! Even their countries and girls/women. Muslims girls/women like and loves non-Muslim's everything too! Because they know non-Muslim's everything is best. Even their kiss and style of make love! Enemy only for religion!

When I was 14/15 years old boy. I heard from many of my friends and neighbor. Who were discuss with each other, "I am unlucky, why I was born in a Muslims family and country? Why not born in a non-Muslims family and rich country? My life is spoil! I can't enjoy my life". Really they were true.

Muslims are waste and rubbish of human being.
Muslims are refusing weight of the world but nothing.

MUSLIMS ARE SELFISH EVEN THEIR GOD

Muslims are selfish. Even their God! "I create Zin (unseen!) And Insun (Human being) only for pray to me". It's the speech of their Allah. They don't help to others. They are only for themselves. After die they clean their dead body with soap then wear new white clothes and perfume (ator)! Finally dead body put into grave under the bamboo or wood roof! Behind dead body they spend big money! What a fun! Not only that, they make boundary wall for their dead body! For sound sleep and safety! Prevention from cow, dog, fox, goat or others animal! Security for dead body! And then, one piece of white marble stone they put at their grave boundary. Generally you can see this stone at head side or roadside.

They write in the stone "Hajji Izzat Ali Mia sleeping here from 00/00/00 etc. But they never write who raped 15 years old girl. Who lost her parents within few years after she was born. Izzat Ali Mia died before long time. He never did anything good for human being in his whole life. Izzat Ali Mia out of world boundary. But still he is alive in his grave, in his name stone! You look, top of the earth million of human being. Who don't have food, medical, house, clothes or education. They need all of these. But Muslims never thinking about them. Don't giving them anything. They are thinking for themselves only. Even about dead body and after die! Advance thinking about under the earth life!

I think Muslims thinking, "God created you eyeless or poor. I can't help you. How can I? I can't fight against God!

EID! FESTIVAL OF MUSLIMS!!

Five times pray in a day! It's too much. Really too much. And twice Eid in a year! It's very few! Really few. How Muslims enjoy their Eid festival?

Eid el fitr: Early morning they wakes up, takes shower, wear new clothes and then go to pray ground. Come back and move door to door like a beggar and take sweets or foods! Nothing new or exceptional here. Or: they never shower? Never wear new clothes? Never takes food from another? They wait for this day? They do it only on this day? If not, tell me why and how they feel enjoy or pleasure? One thing, after 30 days fasting nobody can take enough food. If any body can he/ she must have to go to hospital on Eid day. Eid? Pleasure!

Eid el azha: First part of Eid el azha same as Eid el fitr. Little plus is, they come back from pray (play?) ground to home and kill four legs animal like Ox, cow, sheep, goat, buffalo etc. And eat many much meat! Like never taken before! This is happiness! Pleasure! Festival of Muslims! Like chele bholano golper moto jamburaI holo football! (Like childish story pommel is the soccer!)

RELIGION MAKES LIFE DIRTY AND DIFFICULT

Sex before marry not allow in Islam. Muslims called it haram (forbidden)! Najayez! Means: illegal! Sex between mature human being is illegal! This illegal job did do and will be do by many Muslims! Not only that, if any girl or boy not agree to make love with another one, then they wait for chance and rape! Actually, marry is not important for sex. If you want you can do it any time any place with any body if he or she is mature and agree to do it with you. That's enough.

Religion can't make the human being honest. I think religionists become a dishonest very easily. They learn from their religious leaders. What they did! What did Mohammad! What did Krishna! What did Ibrahim with his son Ismail! Or what did merry or Merriam! Religion makes the life very dirty and difficult. With out religion life is very nice, easy! Like train line! Smooth and plain! Dhaka to Chittagonj. Do you know there is no particular Aya or Sura for married! How they make legal and permanent prostitution on the name of marry and God?

Islam is a funny religion. Read Quran, hadiths, fekah, azma (ekzima?) and others Islamic publications. When you read these kinds of books you should take soft drinks like Fanta! And enjoy fun!

GOD DANCING! WHAT A FANTASTIC LOOKING!!

Last night 22:00 I was watching Hindi movie. That time a 50 years old Muslims came to my house. Take a seat beside me on sofa. I know him very well. His two boys and girl already got married before few years. Still now he is a great fucker. All ages women not problem for him. But he always prays to God and advertises very well about God and on be half of God to others! Thirty minutes of our conversation he told me, "Sachchu bhai (brother) you should pray to God" There is no recreation in pray. So I don't like. You look at to the TV monitor, what a beautiful girl dancing! I am ready to pray this nice and sexy girl but not to your God. I told him. He put his tongue between two lines of his teeth. I don't know what's wrong. He told me "This beautiful girl, who dancing, created by our God. Now you think if our God wear this sary (piece of clothes worn by Indian women) and come to dancing before you! What a fantastic looking (he/she or hermaphrodite?) will be to you? Nothing is beautiful than our God. So come to pray!"

I was thinking, Why all Muslims are same in thinking! Why they like to compare their God with everything! If I tell before any Muslims, Pamela is the famous whore in the world. I am sure that Muslim will give me the following reply: "Our God is the most famous whore in the world!"

MOSQUE AND MOSQUITO DOING SAME JOB

In my eyes, mosque and mosquito both are doing same job. There is no different! Mosquito disturb everyone. Hindu or Muslims doesn't matter for them. Evening time, night or morning time and some where daytime also make problem for the human being. Mosquito very small insect but their voice or noise unbearable!

Now mosque looks very quite and still. But everyday five times some times more! Some one outcry, shouting or make noise with the loud speaker or microphone from the mosque to all people. Especially night and early morning time I can't accept it. Even many Muslims too! Unbearable! Like mosquito voice, noise, sound or wissel. Muslims are responsible for voice pollution. Every body should kill or destroy all mosquito and mosque for good sleep and for the better peaceful feature.

MUSALMAN AND MUSCLEMAN

There is no different between musulman and muscleman. Both are headless. Both are dependent on their muscle strength. Muscle power or beast power? Beast power is their only power. So they are wild. Their lives are wild life. Their behave are wild behave.

Why sunnat e khotna (front skin refutation of a penis) must for Muslim boy or man? What about Muslims girls and women! Have you ever heard this song of Lalon: "Shunnat dile hoy musulman narir tobe ki hoy bidhan? Poita dekhe bamon chine bamni chine ki dekhe?" This is the time of brain not muscle. So, leave wildness use head.

AN INFIDEL IS THE BEST HUMAN BEING

Religion gives us nothing but crime, war, partition fundamentalist etc. Religions are against humanity. More dangerous than nuclear. The name of Islamic terrorist (Osama bin laden) always on the top of the list. Muslims love Muslims, Hindu Hindus. But an infidel loves everyone. They never make any problem or crisis.

I know only foolish believe on God. Also some cleaver man & women believe on God too. Because of their politics/business. If you not work God never bring food for you. Why you pray to God? Wasting your time and money but nothing.

SAVE US FROM HUMAN BEING!

Allah (God) said, "I create zin (unseen one!) and insun (human being)only for pray to me". From eighteen thousand (!) Mokhlukat (creations?) religion only for two kinds of Mokhlukat! Zin and insun! Like BD politician God also Gobbet and 3rd class holder in S.S.C from Dull-headed pur high school. Classmate of Abid Mia! If not, how God selected only Zin and Insun for pray to his/ her/hermaphrodite? Satisfied with little pray from two kind of creation!

I think religion only perfect for all kinds of animals' birds, insect's etc! They can pray perfectly to the God. Who is likes a giant or jumboooooooooo size animal too. Few ago I wrote in one of my posting here. Human beings no need God or worship. They can do everything with out others help. But animals need God. Cow, ox, buffalo, goat, sheep, deer etc need help from God! They can pray, "Oh great lord, please save us from the human being especially from the Muslims and from coming korboni (sacrifice of beast). Birds can pray, "Oh dearest queen save us from birds' hunter." Or insect can pray, "Oh our hermaphrodite, please save our life from insect killer spray and throw the ACI Company into the hell!"

Ulta bujlee ram!
Tateo sofol kam!

NOT SAME FOR MEN AND WOMEN!

When a Muslims woman's husband dies, she lost everything from her life! In Muslims, widow means: white clothes, colorless life! Happy, pleasure, Enjoy not for her! She must have to alive like a dead body! Islam kills her happiness!

In Hindus: Few years ago when any woman's husband died, the religionists put that woman into the same fire! Where her husband's dead body burned! They called it Sothidah Protha (accompanying with; voluntary burning of a Hindu widow on the funeral pyre of her dead husband)! They did it on the name of religion, on the name of God! Raja Ram Mohan Roy saved them. Otherwise still they have to burn.

But when a Muslim's man's wife dies, they never wear white clothes. Same time their life is more bright and colorful than before! Same as Hindus too. They never put husband to fire where his wife burned! I mean Shotidah Protha why not for man too? Why not Sothdah Protha! A bangla phrase is "his wife die that is lucky!"

In religion don't have balance of power between men and women. Religion always on behalf of men only! Taslima Nasrin was absolutely right in her all remarks about religion.

DOG'S ARMY TAC! HA HA HA

Now it's proved that Abdul and Sachchu both are king of this message board. So many warrior of Islam left or runaway from this board! Because of they were like "Dal nai toluar nai nidhi ram sorder (Shield less sword less treasurer)!" It's proved once again that Muslims are headless, brain less. They never can win in any healthy and intellectual debate. Because they never can provide any good and strong logic on behalf of their man made religion.

Main problems are two. No 01.They are wild.02.They think they are on the right track! So result is they kill the opposition. If not possible, "Lej gutea bhaga (Like dog bring the tail down and flee)! Like this board. Warrior of Islam! Dog's Army! C ! A ! T ! Ha Ha Ha.

Actually, this also they don't know that they don't know anything! In this modern society, Old religion and old warrior (!) both are disabling! Understand babies? Come back with sharp and latest logic! Or finally leave this electronic media to Africa.

WOMEN MUST HAVE TO COME OUT

Women like a flower. Who have good smell and smile. Flowers always excellence to look at. But religionist locks them into the house and tent (veil). Old books, dirty things need cover. Women not like that. Women with bikini unforgettable. Women the most beautiful one in the world. What they getting from religion!

Law of Islam, man can keep four wives at a time! Also man can make sex with their housemaid! At the same time! What about women! After die, who will enter in heaven (!) each of them (male) will get seventy fairies! Same as Hindus too. They will receive heavenly musician! But what about women? Nothing!

Actually, religion is giving nothing to women. Religion kidnapped women's everything. But very sadly, I have to say, believer of religion most of women! Men never help the women. Women's must have to come out from religion boundary. Otherwise they have to suffer long time more.

GOD MUST FORGIVE CAUSE RAHMANIR RAHHIM!

Listening music forbidden in Islam. But all Muslims like music. Even priest! I saw in my eyes. And sometimes they like to sing a song! I saw in many priest shops. They sale audiocassettes, music CD, VCD, DVD even pornography! I asked to a priest, do you know this kind of music and movie CD make sale or distribute forbidden in Islam? He told me, "Yes I know." I asked again, Why you sale? Priest told me, "What can I do? Everybody selling! And CD business is more profitable than others. Specially pornography! This is my business and you know business is business! Never compare business with religion! "At this time priest listened summons/call to prayer and go to mosque for evening worship!

How can he keep far his mind from porno CD, Which one he sold at last! When he is on pray behind stupid razakar, razakar's son or family member. Imam! No problem Business is business. Allah (God) must forgive him. Also Allah forgives all professional, Muslims politicians. Who cheating with public and participate at hajj! Nayak Razzak who did hajj by film acting money! Even Allah forgives those Muslims girls or women who are acting in porno movie! Because God is great! Rahmanir Rahim (kind)! Real thing is Allah don't have any power to take action against them. So Allah must forgive them and rahmanur rahim! Ha ha ha! R a h m a n i r R....!

YOU MUSTARD KIDS OF BASTERD GOD

Religionists are dirty like their religion. So they can use abusive words very easily! I know they learn from their religion or parents, family or others older relative or friends. Their religion is not older than Arabian Ass. I know they are the passengers of donkey. Which one always walking toward behind. We never can hope anything good from religious mad. We dam care those nonsense or stupid. Who are the manmal of twenty first centuries.

If anybody wants to leave this board they can go any time. Who is crying for them? Or who is telling to them not goes! So Good bye! This board no needs dirty dogs or crow. So hurry, now! Don't look at behind. Otherwise this board kicks out you. And remember if you wish to come back again. You must have to lick Sachchu's spit. Your God created you like a dog. But God no have wife! Its means you religionist motherless (mustard!) babies of your fatherless God father! Hu Hu Hu. Mustard kids of bustard G o d.

WHY THE TARGET IS KABA'H IT'S SHAME

Allah (God) was homeless! Street sleeper! Ibrahim created home for he/she/hermaphrodite! God who create the earth! Everything! In and out of the world. But he/she/ hermaphrodite can't create own house! Now God have house at makkah city in KSA. Only one room! No toilet! Bath! Drawing! Kitchen! Bed! Corridor or window! Have only carpet in side God house. Nothing more! God sleeps at floor! Saudi government cleans God house once in a year. Before hajj festival. The name of God house is Kaba'h or kebla! Like Habla, bebla or tobla etc. But all foolish Muslims pray to this tobla house! Why? Is God sleeping there? Or God stay in this house only?

If God see, knows, understand everything. Why he/she or hermaphrodite employee lot of feresta/ Malaika (angel)! To see "Sachchu doing good or bad job! Why will ask to others!" Can't see me? Yes can't see anything. Because God likes horse egg, ghost or dead sea apple! Who is living only in the name not in practical. But God followers have everything. Name, existence, eye but blind! Do you know in Islam one man = two women! Its means one Foijuddin Kamla (labor) = Hasina + Khaleda two! Mus Lime! + Ish Lame! = Its shame.

WAS MUHAMMAD A CLOWN OF CIRCUS?

What Mohammad did fifteen hundred years ago? I am doing here same things! Who believe me or not it's their business. But I am doing here my job. I hope all religionists accept my opinion. And we together make the one world. One religion (humanity) only. There every bodies life's be save and peaceful. I am announcing on be half of my faith and doctrine about atheism. If I am a clown or joker of circus! Mohammad was same as me too!

(P.S somebody already reached at the hell because of his lot of sin. He did many bad job in his life and drown in the sin ocean. So result is nature kicked him to Helsinki for sufferings of his sin! But I surprised when I see still he is doing sin with human being by his writing from hell! Yes, Mr. Al Pin too! Who is trying to become a large nail for the human being! Another few are living in big country or biggest city, Rich country or behind the richest women! Like their stomach. But their head and heart till now very small or poor like a shoe hole.)

EDUCATED ILLITERET SHAME

So many Muslims are educated or higher educated. But illiterate! It's unbelievable but truth! An educated or literate person never can trust on any unseen and unknown one. An educated means: who have eyes and ears. Who can see and hear. Watch and listen. And non-educated means: blind, not able to see or listen. An educated accepts something when he/she sees that is true or right. With out any prove they never can accept or agree with another. When they go to bazaar or shopping, they must check by their nail cucumber is good or hard. Lungi or saree's (clothes) color permanent or not, they check by their spit (!) Or hilsha fish fresh or not they check by their second finger. Why not? He/she has right to check before buy. When some one goes to marry they collect all information about boy or girl and their family too! Why? Because of they are going to make relationship with another. Like that-

Everybody should to know about God before make relationship or praying. Because of they are going to spend their valuable time and money, finally faith. Human being is great, wise they should to prove and provide it in every work or decision.

Avoid illiterateism and foolishism. Because of Shame! Shame!

WIDOW VS RAINBOW RECREATION

There is nothing but cap/beard or sary/veil or salwar in a Muslim country. Nothing is for real pleasure or recreations. Except low quality fucking. Muslims recreation means widow recreation.

In a non-Muslims country? Oh! My Dog! So many things! Bar, Casino, Many kinds of club, Like Nightclub, fun club, laughter club, talking club, jokes club etc. Cyber cafe or PC bank. Cinema, Fantasy Park, Drink liquid or powder! Many kinds of Sex! Adventure! Horror! Game! Romantic! What you want? Every thing is available there. Non Muslims recreation means Rainbow recreation.

OX OF RELIGION

".....
Dhormo gadhar priste hetha shunyo punyo chala!"
Above lines from Kazi Nazrul Islam national poet of Bangladesh. He wrote, "Religion is an ass!" May be religion was an ass. But now religion is a wild OX. Religions have two horns only. Don't have head, brain, eye, ear etc. Religion knows how to thrust with the head. We never can hope anything good from OX of religion or cowboy of religion. Like Laden, Abdur Rahman, Nizami, GoAzam, Bal Thakre, A.B. Vajpayee. Khomeini etc.

RELIGION PUSHING BACK BD TO DOWN

Bishwa jaker monjil-utroshi, Chandra para Dorbar Shorif, Shorshinar peer, Nurullahpuri, Mige Bhandari, Shaidabadi, etc. Like above how many khaja baba or kebla baba and their business sharif have in Bangladesh? Uncountable! Like street dogs. What's their job?

Shirin Begumer challenges! Sofia Khatuner Bishwashe milai mukti! Rothna ghor! What they doing in Bangladesh? Tia pakhir bhaggya gonona! Pathore bhaggya ferai! What your God doing! Your God likes BD government? Powerless! Or careless! What they are doing under the sunshine? In front of lot of public and government! Answer is in one word: Cheat. Cheating with public. But government is silent about them!

Huzur (!) Saidabadi "boil egg!" khawalei nishontaner sontan hoy!(feed an egg to a barren women even man she/he must give baby!) Oh! Saidabadi great egg! The greatest unda of the world! Why he not export his egg to others country! Because he knows well enough, his egg is not world standard. Standard for BD's sheep or bearded goat public. Even Indian people don't like his egg. Probir Ghosh famous writer of India put him (Saidabadi) into jail for cheating with public. He came out from Indian jail by bond. And he never can visit India for this kind of job in future! But what about in golden Bangladesh!

BANGLADESHI MUSLIMS CHARACTER

Universal truth is Muslims doing business on the name of religion or God. But Bangladeshi Muslims top of all Muslims nations in the world. They write in front of non fit local bus, "Allahar name cholilam (running on the name of God), or in front of a local bus "Allahar kosom (Promise of God) direct! "Forty nine kg only in the bag but they write fifty kg! For customer's satisfaction sales men say. "Khoder kosom (promise of God) fifty kg!" Like that, every fake goods when they sale, they telling to customer, "Pure! Fresh! Genuine! Or original! Quran shorifer Kosom (promise of holy Quran)! Bhejal hoile nobir shayafat pamona (If it is fake Prophet Mohammad will not certify me)!" What a bastard! Liar!

I saw Ashud Ali Matabbor who died at 110 years old. Before start worship he must free his two/three cow from rope! Nobody can say anything. Because owner of cows praying! Ashud Ali take long time for worship! This time his cows come back with full stomach! Illiterate ploughs man Chokol Uddin, who is a muazzin (who calling for pray from mosque) of a local mosque now! Same as Ashud Ali Mattabor too! Even BNP's ex-home minister Altaf Hossain who fired by PM (!) after die so many people in a cyclone he told, "Allahar mal Allahei nia geche (God's goods (human being) taken by God)!" What was a tuff (!) Minister! Allllllltaffffff.....!

ISLAM SAFEGUARD OF BAD PEOPLE

Nizam Dakat, Mike Tyson, Osama Bin Laden or Shoyok Abdur Rahman etc. How and why they entered in Islam! Do you know that? Their life history or back ground? I saw one Muslims at N.Ganj in BD. He had a bookshop there. All are Islamic books! He was selling all books without any profit! Yes! It's true. I was very interested to know that, what was the real matter or cause! I asked some one that knew that books shop owner enough wells. He told me,

"This man earned lot of money by the wrong way. He did every thing in his life for money! Cheating thief robbery terrorism Etc. Even he killed so many people! Now he is a rich man in this area God gave him lot of with out any labor! Now he is giving to God! Give and take! "I think, now God is happy and pleased to him!

Why all bad people enter in Islam! Because only Islam can save and replace them into a sweet place without any punishment, so bad people feel comfort with Islam. Or under the desert tent of Islam. Which one is very close from date trees of Arab. Dates of Arabian trees are very tasty!

ONLY COWS ENTER INTO THE MOSQUE

Abddus Samad Bepary alias Samed Bepary was a most famous and popular matabbor (village judge or leader) in my sub-district area. Some times he called by others sub-district public for solve their problem. We few friends called him inter sub-district matabbor! Really he was a wise mattabor. He knew how to solve the problem. Samad Bepary had lot of land. Some of village pati (small)) mattabor one day came to Samad Bepary and told him, "Mattabor sab! In our village don't have any mosque for Friday worship we have to go to another village mosque. Mattabor look at them. Its means what you want to say! We want to say, "Allah gave you lot of land. From there if you kindly give us few land for mosque Allah will be happy and we this village people too."

Samad Bepary gave them land for mosque in his own home area. But Bepary never went to mosque. Even on Friday! Ploughman Bepary had so many ox and cows. One day one cow entered into the mosque and cow dong! That day was Friday. Jummah time many people came to mosque and see, listen and understood everything. All public were very angry. Some of them were very crazy. They was saying, "Mosque is in his own land but he never visit! Today his cow came into mosque!"

Mattabor came to them and asked to public, "What happen? Why you are out crying loudly? Some one explained the fact to mattabor. Mattabor replied to them "Oh like this! It's very simple thing. Why you angry! Cow is cow. Don't have brain. So, she (cow) entered into the mosque. Look at me I am human, I have brain. I understand everything very well. So I

never enter into the mosque. Any body saw me into the mosque? Nobody saw me and never will be see me into the mosque. Because this is mosque and I know only cows enter into the mosque human being never."

Great Samad Bepary died before few years. But he is still alive in his speech "Only cows enter into the mosque."

MUSLIMS OR MONKEYS

All Muslims are monkeys or all monkeys are Muslims. There is nothing different between monkey and Muslims. Muslims face, behave, impression, expression. Muslims culture means monkey culture. When a monkey takes a banana and start dancing and eats. I see a Muslims dancing with a banana. When Saddam or Laden attacks Israel or USA. I laugh because they don't know "Tit for tat". Nothing to do, Muslims behave like that. Their God created them with 30% brain. Who have poor head they are monkey means Muslims. It's truth. Muslims jumps too much. Monkey too. If you help any Muslims they think, it's your weakness! One day they must break your helping hands. If you love any Muslims and kiss them they'll bite your lips! So stop jumping of monkeys. Like monkey's like rod! Otherwise you have to suffer.

MOHAMMAD, NIGHT CLUB, REMY MARTIN AND TASLIMA NASRIN

I was walking at the nightclubs Street with my friend Taslima Nasrin. When we reached at the middle of the street, we saw Mohammad coming from opposite with his all followers. They came to us and Mohammad said, "I am very happy and glad to meet with Sachchu and Nasrin. Where is Rushdee? "Nasrin afraid. I told her, to be normal. I am here with you. I told Mohammad, He is very busy so he couldn't come with us.

Mohammad told us, "We wish to visit the best night club in this city." We surprised! What Mohammad talking about! Allah's friend! Mohammad was serious to visit nightclub! I told Mohammad I can take you to the best nightclub in the city but, you must have to put your cap into your panjabi pocket and long panjabi must put into the pajama (trousers). Mohammad had done it very quickly. But problem was security. He didn't want to give permission Mohammad to enter into the club. Nasrin and I requested hard. Finally, everyone entered into the club. Mohammad and all surprised, "Subhan Allah! What a jannat (heaven) in the world!" They told at a time. Nasrin and I drink Blue label, Mohammad and his all followers Remy Martin. End of drink, Mohammad wished to dance with Nasrin! Nasrin refused to dance with Mohammad. Mohammad was very sad!

It was a dream, that one I saw last night.

MUSIC IS MORE SWEETABLE THAN KALEMA

Music is more sweet able than kalema (prayer/of Muslims) or sura to listening. Music is universal. Music can make the world together. Can makes human being happy. Same music we can listen so many times with out any boring. But what about kalema or sura! Oh shit! Kalema or sura only for few people. Kalema and sura make human being mad, crazy and wild. Kalema/ Sura can divide the human being and the world only.

Kalema is kalima/chunkali (blackness). Muslims use this at their own face! At their own hands! Like tibbet snow or powder. Likes prostitute. "Nizher hate nizer mukhe chunkali (make own face black in own hands)!" Only Muslims can do this job. What a foooooooool!

FAMOUS KOBI OR ALLAH'S FATHER

When I was a school student, I was thinking, when I'll be a father of a son. I'll keep his name Allah (God). And I'll be the father of Allah. But few years ago happened another thing in my life. I don't like to say that here.

When I started writing from my boyhood. That time I had two/three close friends. One of them who was writing very well, suddenly he got married and stop writing! I told him, Why you stop writing? Start again and go ahead. He told me, "I early married and I hope my first baby will be a boy and I'll keep his name Kobi (poet). When you'll be a famous Kobi that time I'll be the Kobi's father!

"Now he is Kobi's father! But I am not a famous Kobi or Allah's father.

MUSLIMS ARE 100% WILD

Islam and Muslims are 100% wild about others. East and West Germany became one. Near future North and South Korea will be same country. Tiger and sheep can drink water at the same place. Even cats and mouse can make friendship, can live together. It's possible. All non Muslims can reach at the same view and points for the human being peace and prosper.

But all Muslims can't live nor do anything together! I think that was the one cause of Saddam Hussain's capital punishment. I hardly believe it was not possible for USA to hang Saddam if all Muslims were protest. How they'll make unity for the better world? They have an organization name Organization of the Islamic Countries (OIC) but it is an old/infirm/decrepit organization! They know how to divide into many parts! All Muslims are terrorist. One Muslims baby means, feature laden. He will be educated or not it's does not matter. Both are same! His/her religion never teaches them how to respect others. Even Muslims don't know how to respect others Muslims! Japanese, Korean, Chinese when they respect others they bring down their head. What a nice looking! Great example of respect. What about Muslims? "Ek Allah chara shir korona karo kacha nichu(never bring your head down before one except Allah)! "Even he/she is great one and you are a large bearded goat!

BLASPHEMY FOR IMITATION!

If Islam is the only one true religion or Christianity is the only one true religion what about all others religion of the world!? Isn't one religion just as good as another one?

A famous military conqueror from the past was able to state a truth. Yes, Napoleon Bonaparte stated, "I would believe in a religion if it existed ever since the beginning of time, but when I consider Socrates, Plato, Mohammad. I no longer believe. All religions have been made by man." Man made religions is like the imitation. Hearing interesting but false inside! Like Dead Sea apple. Blasphemy does not able to protect your Quran or Bible. How possible it! Your God has been failing to protect it. Can't stop Salman Rushdee, Taslima Nasrin even Saeid Khan Sachchu! How the man made law able to do it! If you believe that man made law is more powerful/strongest than your God made law it's ok!

Free port, free market or open market economy is popular now and its success. Avoid USSRism. Open your heart, mind and religion for all. Give chance to play my dog with your God. Or your God with my dog! And wait time will say which one is acceptable. Now is the time for democracy. I think golden time is very near from here.

HUMAN BEING IS THE TOP OF ALL

I want to respect all human being. I am always trying for that. But sometimes I can't it. It's give me pain, but nothing to do. I love Great leader, father of the nation, famous Bengali of the century Sheikh Mujibur Rahman, Nelson Mandela, Aung Sun Shuchi, Mother Theresa, Princess Diana, Taslima Nasrin, Humayun Azad etc. Who did, doing or will do something good for human being. Even I love Surprise little bit too! Who wrote many messages against me in this message board. Because I believe Surprise is a good and gentle human being. But I can't respect all religious leaders (?) who are divided human being into many parts. I can't respect Hitler who killed many lives; I can't respect former president of South Africa who put Nelson Mandela into jail. I can't respect: GoAzam/ Nizami/ Sayedee/ Bal Thakre/ A.B. Vajpayee, Zia/ Khaleda/ Tarek, Hasina, Ershad, Yeahia etc. I can't respect them who are very dirty like Hitler, Osama Bin Laden or Abed Ali. I can't respect something false or false followers.

I should respect all senior/older than me? It's never possible. Many animals like Ass/ horse/ buffalo, ox, cow, dog and many manmals like razakar, killer and rapist etc. Who are older than I am. I have to respect them? Sorry I can't. Some human being is the bottom of all too.

TRUTH BEHIND SUPPORTING BD AND RELIGION

Supporting BD means you are the one who upholding dishonesty and benefited from the current situation. Its in Bangla "Ghola jole mach shiker (fishermen of turbid water)." All of you are fisherman! I mean ghola jole mach shikery! So you are not interested to change the present situation of Bangladesh.

Like that, who are the followers of religions believer of God. They are the businessmen. They are benefited from religion. So they don't like to listen anything against religion or God. Because of they are benefited. They are dishonest.

P.S. Some one requested to all readers>"Please don't try to make another Bangladesh in this board. "Yes I support you man! I am trying for that of my best. Bangladesh means hell, crime zone and bustard's land. But problem is sinner like hell, criminal like crime, crow like dead rats, stool like toilet, and bustard like Bangladesh. Each other!

I DON'T BELIEVE

I don't believe religion
I don't believe God
I believe myself and
Human beings top of all.

Why kissing Quran Puran
Evil Geeta or devil Bible?
Dry leaves of jumbo book!
Blind faith to heaven or hell!

Leave all bad initiation, old
Stop fighting stop partition
Hold science in your brain
To be a Conscious, modern

Leave all fairy tales
Enter into the real
Love human beings
Love the beautiful world.

IF INFIDEL FAIL CHRISTIAN WELL COME

Religious business is the biggest politics. Hindus, Buddhist, Christians, Muslims all are trying to increase their religious boundary. Everyone's thinking are same thinking! "If we can increase our followers, believers of our faith or kingdom, we will be strongest. World's leader! We'll be able to lead the world, able to rule the world. If we can't it or fail to increase our religious area/boundary or believers we have to lose the world leading position."

Hindus or Muslims will never able to lead the world. Christians are always first and top position for this job. Christians are leading the present world. Long years more they are able to keep this position. They have that eligibility. They have brain, capacity or capability too. Even they afraid about their future leading position! So Christians doing the better job all over the world for the human being. Hindus, Buddhist, Christians, Muslims or infidel they are helping to all everyone.

Truth is harder than metal. Even I am an infidel likes to say Christian's hands means helping hands. Christian's hands advance to pay or give. Others hands advance to pick or take only. I hope one day infidel human will lead the world. If infidel fail to lead Christians well come but not Muslims, Hindus or others.

LOVELESS MUSLIMS SEX

Sex. It's very important for human being, animal, bird and insect life. Nobody can avoid it except hermaphrodite (God or Allah). No sex no life. All Life is fruits of sex. I love sex too much. I believe sex means: love, pleasure, and creator. Finally sex means: heaven. And heaven means: peaceful life. Not only me, everyone wants peaceful life. But if you ask to any Muslim, What is your opinion about sex? He or she looks to you like a baby! Like first time in his/her whole life he/she hearing this word (sex)! Even never see in dream before!

Actually openly they hate sex but in underground, their sex life is wilder than dog's sex of the month of Vhadra (fifth month of Bangla year)! Now my question is why they play drama? They like sex for this they fuck each other. They don't know how to make love. Loveless sex teaching them keeps their wife's lock in into their own house!

WOMEN POWERFUL EYES

One of my friends says "Women like tube light. If any one comes under this light he can see himself."

Another friend says "Women like mirror. If anybody stands before her he can find himself."

My opinion is women like crystal glass. Not only me or myself I can see the whole world in a women.

Women you the powerful eyes of men.

HEAVEN WITH ME! JANNAT AL AKBOR

"Mishe jabe duti pran duti dehe porospore
Shorgo eshe darabe tokhon amader kore ghore."
("Two heart two body become one
Heaven will come to our slum.")
Above two lines is poet speech.100% perfect.
Intelligent or wise human beings never wait for God's made heaven. God made heaven means red radish or white! They make heaven in the world themselves.
Last night, my girl friend was with me. Who is twenty years and five month old.Her everything is excellence!
I feel pride, proud and much happy for her. I love her too much. She loves me too. Our affair passed six month. I received her as a virgin girl! She is not a Muslims. She is a human being. Every twice or three night in a week we make love. And every night three to four times! It's very difficult to find a virgin girl in Muslim. Really difficult. If everything run well we'll get marry in future. Then heaven always will be with me. You foolish religionist are. Waiting for heaven! Okay wait eternity! But remember in this way (your way) heaven never come to you. Or not you can reach to heaven. Trust in top two lines and create "Jannat al Akbor" (best heaven) yourself. Then enjoy life with "Amrito Shudha (honey of nectar)!"

WAIT I HAVE TO GIVE YOU SOMETHING SPECIAL

Why hurry? Yet not finish man! All of you need something special more than bamboo or mangos teen tree. Wait I am giving you!

Many people wrote many things against me. It's doesn't matter. Every action has reaction. But some of those are WatchDog, Silly boy Haichchu, Mark Choudhury, Surprised, Manush, Hafiz Khan. I can't believe that, these are the name of human being! Unfortunately if they are human being must not Bangladeshi or Muslims. But they are fighting for Bangladesh and Islam! If unfortunately they are Bangladeshi and Muslims, Why their parents selected these kinds of names for them? Because they could understand their babies behave will be like dog. For their behave human being will be Surprise. Son of non-Bangladeshi Mark Choudhury and Manush will be not a real manush (human being) I already marked it, after conceive six months later Silly boy Haichchu was born. So result is Haichchu! Because cold always catch him. Only one man I saw there Hafiz Khan but headless/ gay/perfect Muslim!

Or may be all of these did something wrong like thief/ robbery / cheating/ others kind of crime in their own country. They left their country and original name. They are hiding themselves.

THIS IS TO HONEST AND DISHONEST

You are an honest. It's ok. Do your job. Enjoy time with family or friends. Do or think something good for human being. No need anything more! I mean no need to go to pray house like mosque, mandir (temple), church, pagoda etc. If you want to go there for exercise, it's also not good. For that, better are you can go to jogger's park. If you are not honest try to be a better human being. You promise with yourself. Never do anything wrong. That's enough.

Muslims never feel pleasure for their religion. They feel pride and proud. Pleasure comes from bottom of heart. Proud from out looking only. Do you know why? Because their inside is empty. And I read in my boyhood "an empty ...sound much."

TRY TO BE A HONEST AND FAIR

I am Saeid Khan Sachchu a Bengali. I love Bangladesh more than all of you. Different between you and me is: I am honest and you dishonest I am sensitive and you rhinoceros. My love is real love to Bangladesh. Your love is blind like an illiterate mother to her kids! I am like an honest judge who can tell truth. Who can give right decision against guilty or culprit. Even the guilty is my own son or father, daughter or mother. But you! Like an advocate! You fighting on be half of guilty! Because of you are benefited. Try to be an honest and fair.

AIM IN MY WRITING

Everything has aim, ambition. We read in boyhood aim in life. Do you remember it? Like that, report of a journalist is describing the fact to the readers only. It's life no longer than one day or week. But my writing in this message board is forever. Like a literature. I hope its life will be longer than my life. I must publish all of my writing. Because of I am writing for changing the world. Like all of you, I never think this message board is a daily news board only. I believe this board is a strongest and most powerful electronic media for us. So, I hope everyone will try to show their best writing performance. And they'll make their position in this board, in this world. One line two lines message means, "poke/stroke" message, from headless/ brainless hands. If you don't know how to write, leave it. Nothing shames. You read, you learn.

You Muslims can change the world to the back. Please don't underestimate any Abdul or others. We are changing the world toward the forward. I was very happy for Surprised. His hand was really a writing hand. But he moved to the newspapers! He is killing himself. I like to say to Mr. Surprised come back.

HAPPINESS

When I see an illiterate farmer
Ferryman or lower level poor
Crack bag at weak shoulder
Beggar who moves door to door
Sings themselves humming sound
When they work or walk!
I think they are happy

When I see a domestic helper
Load unload daily laborer
Those are hands to mouth
From south east or south
What are they searching?
Sunday at kowloon park!
I think they are happier

When I see a roly-poly rich
Who lives in castle or palace
Travel with Rolls Royce car
Concord or Boeing air
Takes sunbath at pool or beach
With women men or wine
I think they are happiest. But...

Reality is in this beautiful world
Literate illiterate rich or poor
Nobody happy in their life
I am Sachchu little more
Even then why want to live!
Waits for that yet not received?
Or living is delightful and joyful!

FOODS WITH DIRTY HANDS!

Bangladeshi, Pakistani and major general Muslims are use their hands for take foods! It's really dirty and dangerous for health. And very bad to look at too. Others nations use spoon or chop stick for take their foods. It's the best way to take foods. One more thing is Bangladeshi or Pakistani never uses toilet paper when they use toilet! They use water only. What a dirty! How they touch stool directly! And most of them never clean their hands with the soap after use a toilet! In Arab land many people eat together! Same plate! Same time! And same glass for water too!

Recently one Philippians visits Bangladesh. He told me, "Bangladesh is a very dirty country." How can I tell him, not only Bangladesh all Muslims country or Muslims are dirty from top to bottom, in and out. Even Philippians hate Muslims! Specially Bangladeshi and Pakistani for their dirtiness!

- *** Your proud for what?
- *** Full of rubbish! Available waste!
- *** Bangladesh! Bangladesh! Bangladesh!
- *** Frog of small pond
- *** Mode like philosopher intimacy
- *** Bangladeshi! Bangladeshi! Bangladeshi!

BROTHER MEANS BIGGEST ENEMY IN BANGLADESH

Brother is the enemy of brother in Bangladesh! They are cheating with each other! Elder brother working in foreign country earning money by hard labor sending to the family. Younger brother eating his money and making love with the elder brother's wife! Or younger brother working out of Bangladesh sending money to elder brother. Elder brother misappropriate all money! When younger brother come back to homeland 5/10 or 15 years later. Elder brother explains to younger brother, all of your money I spend to family. I did this I bought this or that etc! Saifuddin Farid now socked! Who worked in Japan 15 years! Japan's working money finish within 15 days after he arrived in BD! Bangladeshi Muslim's stomach bigger than their whole body! Elder brother Mohiuddin Mohon very pleased to his God! With out any labor God gave him lot of money! He goes to mosque every day five times. And he is the president of a local mosque in his village! There he is the most respected one! By all! Mohiuddin Mohon who broken his younger brother's dream and built his sky-high dream in practical by his younger brother's money. He is a village leader now! President of a mosque! Respected by all! It's possible only in the United States of Bangladesh (USB). Ha ha ha Great BD! Land of Khaleda, Tarek, Maudood, Nizami, Abdur Rahman, Razakar Abed Hossain alias Abid Ali or Abed Mia, Bangla Bhai, English Baby, Arabian Religion etc.

WE KNOW WHERE THEY CAME FROM

Choudhury are available in Bangladeshi Muslim and Hindu family! Do you know why? Bangladesh when was under the British rule, many people was British's slave or menial of British. Who was the great servant, who's mentality was like 100% slave.

(Like Abid Hossain alias Abed Ali or Abad Mia. Who was a razakar but now chairman of a union council in Bangladesh. Abad Mia 3rd class holder in s.s.c. Who was the bad son of a poor farmer. One day he joined Muslim League and started chamchami for Ata Khan. When Ata Khan went to toilet, Abed Ali waits out side of toilet with soap and towel. Now Abed Ali BNP thana level secretary too! Abed Ali giving bamboo to the general public very easily and better than before.)

British pleased to them. And like and love them. Like their pet dog. From there, British started to call them Chudury. Now they are "Choudhury"! Like they call their dog, "hi Tommy or dolly!" British no needed to knew who was Muslim or who was Hindu. But now the situation is different. British servant chudury reached to a position in Bangladesh. They feel happy for their choudhury! They are thinking they are the best family in Bangladesh! But we know where they came from.

CAUSE OF LEARNING GOOD ENGLISH

Learning or speaking English is not important for life. And English is not the key of success. Major European can't read and write English well enough. Ninety percent Chinese and Korean can't read and write English language. But their position at the top level. Only the poor and the poorest nation are very interested to learn English. Because their mind grow up like a servant from the childhood. Their servant parents teach them "Boy, you have to learn English because you have to go to rich country for job. That job will make us rich." English is the key of success only for the poor and poorest people.

(P.S. Sheikh Mujib, Nelson Mandela or Dr.Kamal Hossain is the exceptional in the politics. I never wrote anything against Bangalee. I am always writing against Bangladeshi, Islam and Muslims. Because these three stupid are making the human being dirty.)

WHY YOU FEEL PRIDE AND PROUD

Q. What job are Bangladeshi doing in the Australia, USA or Europe?

A. Australia: Fast food shop, Driver
New Zealand: Agriculture, Farmer
USA: Grocery shop, Driver, Restaurant

Canada: Taxi driver, Gas station or Looking for job
France: Mobile flower hawker / House maid
Finland: Driver or Cleaner
Germany: Mobile flower hawker
Italy: Bra, Panty, Condoms, Shoe, Chili, Garlic etc hawker
Portugal: Construction
Spain: Foot way business
Sweden: All about restaurant
Switzerland: Mobile flower hawker. Restaurant

Your pride and proud for what? Suited, booted, tied fop! For copy first world style or fashion? Like Hong Kong domestic helper!

GRANDFATHER PATEKAR

Amitabh Bachchan star of the millennium. I love him I respect him. I don't know who selected him as a millennium star. My question is if Amitabh Bachchan is a millennium star. What we should call to Nana Patekar? Star of forever?

REVIEW IS NOT INSULTING

All nations in the world have self-respect small or much. But not a single nations like Bangladesh! Bangladeshi are dishonest, characterless it's universal truth. When this hard truth spoke by someone it's hit/blow Bangladeshi's cheek like a slap who are sitting with spread cheek!

Muslims enjoy criticize about others. About others religion God foods impression expression finally about non-Muslims culture. But they never review themselves and they never accept any review about/against them easily. If any one review they think he/she criticizing, insulting them to punching their prestige! But in Bangladesh Muslims nonstop criticizing Hindus, Buddhist, Christians and others minorities.

Muslims think they are cleaver/wise and powerful! They think themselves top horse in the world race course field! Undefeated champion! So they are out of review! Khaleda Hasina laden or illiterate farmer Iazuddin. Even domestic helper Morzina or beggar/street sleeper Aizza!!

LOVE TO WOMEN

A very simple girl
I chose as my wife
No argument
Nothing demand
Like you are my all!
That was mine and
I was only her
I thought like that
But she was a knife
In my beautiful life

One day she
Broken my heart
Stolen my faith
Colorful dream
Money jewelry
All every things!
Destroyed my house
My darling spouse!
Now I'm homeless
Street sleeper
Cars horn is my
Sleeping music
Cars horn is my
Wake up alarm
No food nothing good
Passing a hell life

I'm not able to
Rebuilt my life
Even now when
I think *Theresa*
I see some girls
Like honest *Doris*

Innocent *Rose* or
Lovely *Mandy*
I forgive her my ex wife
Who destroyed my life.

GENDER EQUALITY

Men or women we all are human beings. Best creation of nature. Nature gives us it's light, air, heat or cold everyone equal. We enjoy love and hate of nature equal too. Like that, in a civilized country prevalent law is equal for every human being. Same punishment for same kinds of offence doesn't matter who is men or who is women. Same requirements or facilities for job seekers men or women. But in an uncivilized country there is too much inequality between men and women. Everyone should remove it because it's shameful for human beings. Distinction and agreement in human beings is unacceptable. But ...

Human beings are divided into two parts by nature men and women. The allocation is about gender. Demeanor of male and female gender is totally different, opposite shape or form. For this, they feel magnetic attraction to each other.

Gender equality between these two different genders is impossible. I know what you mean! So, don't fight for *gender equality* fight for "Equal Opportunity".

CHINESE ARE RACIST

Chinese are racist. It's my practical experience in South Korea, Hong Kong and Singapore. They hate black people like African, South East Asian like Bangladesh, India, and Sri Lanka etc. They don't like to talk with the black! Eat or Sit with the black. Even in the bus or train! Nobody take a seat beside a black even it's free! And if you take a seat beside someone (girl/woman) she must leave her seat and looks to you like an angry girl or she looks to you like she looks to a dirty beggar or strange animal!

Year 2005 I went to Singapore for a short visit. Someone invited me in his resident. I reached there before lunch according to my schedule. Unfortunately he was ordered for work by his boss on that day. At the lunch time we talked for few times. He requested me to stay his room until he comes back to room at evening.

I was alone. Nothing was to do. I was put my mobile on charge. Around 04:00 p.m. an old Chinese woman came to that room and asked me, "Who are you?" I'm a visitor. Yusuf's relative. She told me, "Visitor not allow here. Leave room now!" "Leave room now!" She forced once again. I was disconnecting my charger from plug she asked me, "Is this your mobile?" Yes. It was my reply. She said, "Who will pay electric bill?" I surprised! This is Chinese!!

Kate a twenty one years old lovely girl from New Zealand working in a NGO at Chunking Mansion TST Kowloon HK, she told me, "I'm teaching English to a Chinese baby (HK resident) but interesting is another girl from Philippine that's English knowledge been

better than me but guardian selected me as a tutor of their kid because of my skin is white." Why like this! What they think themselves! Or what they are thinking about the black? It's against humanity. It's also truth that there are no human rights in the Chinese nations.

I saw in the South Korea lot of worker those were from the 3rd world passing a hell life. They were working like an engine. There is no humanity. Nobody would like to feeds their old parents. Government is not helping the homeless or senior citizens. So there every year increasing the suicide among the senior citizen in South Korea. I saw in Seoul an oldest woman who couldn't able to walk herself but she was a mobile hawker in the electric train! She failed to keep her balance to walk. I couldn't see longer.

I saw in the night queen well-known Hong Kong, if husband lost his job or fall in bankruptcy wife leave husband. How possible it! They don't have a heart! There is no love for each other! There is no love for human beings! Why the Chinese nations love money more than their husband or parents!? Why they love white skin more than black skin? It's looking nice? Smelly? Soften to touch? I'm interested to know! Bangladesh is a poor country. Even then we have "Briddda Nibash" like European/American "old home". And we have allowance for the senior citizen like money and foods.

Their high pride and proud for what!?

- 1). they don't have a good heart like European
- 2). they don't have a good body like Australian
- 3). their country is not like Switzerland
- 4). their power is not like USA power

5). they can't invent anything only know how to make copy!

But one things, they loves their dogs and cats very much! Sometimes they love their dogs and cats like their kids! Black people are dirtier than their dogs and cats?

Only poor Chinese from the main land of China are different because they are poor!

HOMELESS

New clothes

FUN

I'm hungry from long time. I can't remember when I was made love with a girl or woman. So, when I see a sexy girl or beautiful woman I look to her top to bottom like a pauper. I want to touch catch kiss hold or make love with her. Strongly I ask for it even then I can't do it! It's very difficult even I have to control myself! After all I'm a human being I never want to forget it even in the deep crisis.

In this situation someone who wanted to marry at seventeen years old his parents refused to gave him marry then he who became a mad for marry and left home! His parents brought him at home and finally arranged his marry at early eighteen years old that one told me "Control yourself!"

If you keep a delicious meat piece in front of a long time hungry youngest tiger and advice to him, "Control yourself!" It's fun but nothing. This is my advice to you, "Before advice to someone you should understand his/her situation."

LITTLE BIT! FROM ANTI TERRORIST GATHERING

Here in abroad, a pati terrorist who fled from his city and Country because of his unlimited crimes and offences. I'd not like publish his name because my fighting is not for a single terrorist, my fighting against all kinds of terrorism, like political terrorism, religious terrorism or... . He wanted by army baked Bangladesh interim government. Still now he is barking to me, "I'll show you!" What a powerful speech! I'll show you!! What a terrorist think himself! Powerful? Like a wild animal! Even in a different country!! I told him, this is not Narayanganj city. He replied, "Every city of the world is like Narayanganj to me!" What a great speech! Every conscious Bengalese knows, Narayanganj well known for Tanbazar. One of my favorite free lance writer friends wrote," All terrorist from Bania Shanta, Doulodia or Tanbazar potitapolli." Another one was read an instant lyric in an anti terrorist weekly gathering poetry evening at Dhaka in BD long ago,

"Anybody from Tanbazar?
I've a question to him/her
Do you know that?
Who is your father?
Somebody is motherless
Somebody is fatherless
But all are stupid
All are dirty terrorist."

It was little bit! Like an alpine. Don't think that it was a large nail or wild cat. But yes, of course it was a blow. Because terrorist understand muscle power and

gun power only. Polite language not for them. And we all were young there! So....

I'm writing everything from my practical experience. In my writing there are nothing wrong nothing false. To somebody hard to believe to somebody hard to digest my writing! But we need say the truth we need accept the truth for better nation for better country; for our next generation. You shame or you afraid from my writing it means you know you did or doing wrong. It's better you change yourself. Remember that, may be you are strong and powerful today but tomorrow you'll be old and infirm. Your kids may be will not like you then what will happen! Will not they have to suffer from others terrorist? If you become an honest man I'll write about you to media. Avoid mimics become a real human being. Don't try to leak out any one's privacy. You can suggest some one if you have little bit merit for that. Never think yourself smart and never think others are stupid.

Try to become a gentle, honest, polite to more polite. Then I'll stop my writing because I'm writing for that. I'm ready to step down! You can help me to make it easier.

WAITING FOR RAINBOW IN BLUE SKY

I liked sky very much. I could able to look at the sky hour after hour! Because it's blue at day and starred at night! Sometimes I was drive in the blue sky. I liked thorough search for something in the deep blue. Meaning of life! There was a rainbow in my life sky. But all are gone. Now my sky is cloudy. I no longer look at the sky at day time.

Now at 03:00 a.m. The universe is keep quite. The world is in sound sleep. Human beings are sleeping with their family or lay down with their girl friend or wife. May be some body are playing midnight game! Many of them busy on creations, Creation of life! They all are in heaven in colorful dream. I'm homeless hopeless family less single visitor of the world counting the stars! How many stars fell down! How many are falling down! One after one! Very smoothly. Last one falling down I'm seeing but can't stop to falling. It's a big pain but no way to save.

06:30 a.m. The eastern sky is reddish color! The sun will rise! I move left to right. The sky is becoming cloudy. The sun is roar. I'm waiting to see the blue sky. Deep in blue... rainbow ...!

THAT'S ALL!

It's enough to say that, Bangladesh is a stupid country and Islam is a waste/rubbish/garbage religion. But I sent here in this message board more than hundred messages about Bangladesh and religion. It's really too much posting! I can't waste my time, money and brain behind something rubbish. I understood nobody can make strait the tail of a dog if the dog make it itself. I hope time will come and Bangladesh will change to good and Islam will change to humanity.

I don't like to send any more posting about stupid country and garbage religion. But note it, when I'll have enough time to waste. I must write against stupid and garbage in this board and out of this board. It's my duty to clean the world.
